

JOB Description

EYFS Teacher (for Nursery)

Main Purpose of the Job

We wish to appoint a passionate Early Years practitioner to work in partnership with our existing teacher to ensure outstanding teaching and learning for every child.

This is an exciting opportunity for a creative and enthusiastic teacher, with excellent classroom practice and high expectations.

Main Duties & Responsibilities

- strives to make learning engaging through captivation and encouragement.
- plans and delivers high quality learning experiences for all pupils
- has an excellent knowledge of the EYFS curriculum and an understanding of how young children learn
- can demonstrate the ability to accelerate children's learning
- is committed to achieving high standards in all aspects of school life
- is committed to inclusion and pupil well-being
