'Improving Every Day'

Teacher Required

Key Stage 2

We are looking for a dynamic, inspiring professional to join our school team for a permanent post, starting in September 2021. We are a 'Good' (Ofsted 2016) school, where our motto 'Improving Every Day' and our values of respect, aspiration, resilience and curiosity drive everything we do.

As member of a large school you will reap the work-life balance rewards of working with two supportive year group colleagues and other professionals from across the school.

Our children behave really well, they want to learn with you and experience the enthusiasm, awe and wonder you will bring to the school.

Experienced teachers and committed NQT's are welcome to apply. Feel free to visit and see for yourself.

To apply: Contact Mrs Pauline Ford, School Office Manager or visit our school website, www.francisbaily.co.uk for application forms and further information.

To visit/contact the school: Please ring the office on 01635 862188
