Best Self**

TEACHER REQUIRED FOR 2023

About us:

We are a large primary school surrounded by fabulous grounds and a park very close to the city of Manchester. We have over 500 children including 60 full time Nursery children. Our staff are a mixture of experienced and newer teachers and leaders working in close partnership with our amazing team of support staff. We have a great building which is just over 10 years old and still feels very new. Our children access their learning in a variety of ways and make use of the latest technologies; for example, we have over 350 Chromebooks across the school with every child from year 2 upwards having their own named Chromebook. This makes planning and delivering lessons easier for teachers and leads to effective learning for our children. We take staff development seriously with weekly opportunities for teachers and teaching assistants to receive up to the minute training. Many of our staff undertake additional training and the school supports them to do this. Our staff room is a relaxing environment with a range of facilities for staff to feel supported and to relax away from the hustle and bustle of class.

We have two current vacancies, one for a **year three class teacher** and one for a **teacher in our resourced provision** for children with ASC, both available from January 2023. You will probably want to ask us lots of questions about the jobs so feel free to make contact if you are thinking of applying; we can chat to you on the phone or you can come in for a cup of tea and to look around so that you get a real sense of the school before you apply. Here's our school website: www.riverviewprimaryschool.co.uk and please have a look at our school videos:

YOU WILL NEED TO:

- Have the highest standards of teaching
- Have a commitment to helping all our children learn the curriculum and develop into well rounded young people
- Have desire to make a difference
- Have well developed curriculum knowledge and a willingness to engage in further professional training
- Be open to working in large teams to improve outcomes for all pupils

WE CAN OFFER:

- Friendly and happy children and families
- A strong team who strive to achieve the highest standards of teaching and learning for all
- Innovative approaches to teaching & learning
- A high quality, 21st century learning environment
- A very well-developed curriculum
- Support for your professional development through networking and high quality learning opportunities
- A leadership team that will support you to find your full potential

The School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
