Dear Applicant,

Thank you for your interest in the position of teacher at our school. Kelsey Primary School is a great place to work. Our children are amazing and so are our dedicated staff. Our team work proactively to deliver the best experiences for our children, who love coming to school. The community is very supportive of everything we do and our families and children are really engaged in school life.

We are looking forward to someone joining us who has the drive and enthusiasm for the role, who genuinely wants the best outcomes for children and doesn't mind going 'the extra mile'. We welcome applications from practitioners at any stage of their career – our priority is to find someone who understands our values and who can work well within our team.

I would really welcome the opportunity to meet you for an informal chat and a tour, so you can get a feel for our school and the role. I would be delighted to show you around our school. To arrange a visit please contact our school office on 01652 678387. If you can't come in but want to talk in more depth, or would just like some more information about the post, please feel free to call me or email using the contact details above. There is also a lot of information on our website and we also regularly update our school twitter page: [@kelseyprimary](https://twitter.com/kelseyprimary)
