

Eastburn Junior and Infant School is a one-form entry primary school that sits at the edge of the Bradford Local Authority district close to the border with North Yorkshire. The school has a current roll of 208 pupils, drawn largely from Eastburn and the surrounding villages.

At Eastburn, we strive to equip every single child with the knowledge, skills and understanding that they need to make a positive difference not only to their own lives, but also to the lives of others. We aim for every pupil at our school to receive an exceptional education and achieve their very best. Our pupils learn to be resilient and independent, and are well prepared for the next stage in their education and life in modern Britain.

To achieve this aim, we deliver a curriculum focused on exceptional teaching and learning. Our pupils embrace challenge and learn the strategies needed to persevere when they are stuck. We promote enthusiasm and a love of learning where pupils take pride in their achievements and always try their best.

We pride ourselves on creating an inclusive and nurturing environment, where pupils of all backgrounds and starting points are able to fulfil their potential. We believe that meeting a pupil's emotional needs is key to promoting positive learning attitudes and success in life, and we prioritise pastoral support. We understand the importance of genuine care and acceptance, valuing children for who they are. We show all our children that we are 'on their team' - we are here for them and we let them know it.

We listen carefully to feedback from all our stakeholders: pupils, parents/carers, the Local Authority, colleagues. We are very proud of the fact that those who visit us routinely say that School is warm and welcoming and that pupils are engaged and enthusiastic. We hope you'll feel the same when you meet us.
