

TEACHER OF ECONOMICS WITH BUSINESS (TLR available to lead Economics for an exceptional candidate)

Dear Applicant,

Thank you for requesting details for the position of teacher of Teacher of Economics with Business. There is also the opportunity for a Lead Teacher of Economics TLR for an exceptional candidate. The post offers an exciting opportunity to teach and make a positive difference in our outstanding school, a converter Academy and the founding school of Moorlands Learning Trust (MLT). We very much welcome your interest and hope the accompanying information will encourage you to apply.

The successful candidate will join a very popular and ambitious curriculum area where standards and levels of student engagement are high. They will have high expectations, expert subject knowledge, a strong and positive work ethic and an unwavering commitment to all students achieving their full potential in economics and business through consistently excellent teaching. Working collaboratively as part of a dedicated and talented team, they will be inspirational to both students and colleagues, and will be committed to sharing best practice and contributing to enrichment, intervention and the development of the department.

This is an exciting time in the school's development. Following a £4.7 million capital investment from Bradford Metropolitan District Council (BMDC), our learning environment has been enhanced by an additional three-storey teaching block with 15 new classrooms (all equipped with interactive screens), a dining hall and indoor flexible space. In addition, we have also opened a 12 place Specialist Resource Provision (SRP) for students with autism as part of our commitment to inclusive education and we are working with the Local Authority to cautiously grow over the coming years to meet students' needs across the Wharfe Valley and wider district. Indeed, whilst we have a long history dating back to 1607, we are a modern school with innovation at the heart of our vision as a learning community. We continually advance our curriculum to be responsive to student need and have rolled out iPads to all students to personalise learning and prepare them for life and work in the 21st Century. We also invest in the professional development of our staff to keep ourselves at the cutting edge of educational development.

We are very proud of our excellent reputation in the local community, as well as the wider Leeds and Bradford areas and pride ourselves on the quality of education we provide to our students. Our Ofsted inspection of March 2017 confirmed us as an 'Outstanding' school in all areas, where students "attain highly and make excellent progress", where behaviour is "exemplary" and where "teachers go the extra mile to make sure students achieve, feel cared for and thrive within a supportive and productive learning environment" (Ofsted March 2017). Our success was also recognised in The Sunday Times Schools Guide 2022 with Ilkley Grammar School ranked in the top three best state secondary comprehensive schools in the north of England and named overall 7th best state secondary school in the north of the country.

Since achieving our 'Outstanding' Ofsted rating, the school has gone from strength to strength. Our 2021 A-level and GCSE results were outstanding: over 50% of all A-level entries were at A/A* and over 70% at A*-B. At GCSE over 52% of all GCSE entries were achieved at 7+, a 10% rise on the previous year's results and over 23% above the 2021 national rate, with over a third of all entries achieved at the very top grades 9/8 – an increase of 8% from the previous year. As a result, progress of all students is well above average with a score of +.58 in 2019. Although performance tables were not published in 2020 or 2021, we are confident that we would have continued the upward trajectory of improvement we have successfully maintained over a number of years.

As a comprehensive academy, our overriding aim at IGS is to ensure that our students achieve everything that they are capable of – their 'Personal Best' - from Year 7 through to Sixth Form and beyond. We recognise every student as an individual, with different needs and talents, and we work hard together to make sure we support and nurture successful, happy, and confident learners who achieve in the widest sense of the word, and not just academically.

We deeply care for our staff as well as our students and take their wellbeing seriously, engaging regularly and meaningfully with colleagues at all levels. We are sensitive about the importance of managing workload, and the school's commitment to evidence-informed practices and 'best bets' enables teachers and leaders to invest time and effort in practices proven to have the most impact on student learning. In addition, all staff have access to an Employee Assistance Programme, and we have an embedded programme of extra-curricular, voluntary 'Wellbeing Wednesday' sessions for staff to access across the school year. The school closes earlier for students on Wednesdays in order to accommodate these sessions as well as to facilitate whole school and departmental staff CPD. Despite our considerable success, we are not complacent and our commitment to Personal Best means that we continue to drive school improvement in order to further raise standards. We are looking for a talented teacher who can combine vision and drive to support our journey to being an exceptional school. We can guarantee high-quality support in the role, committed and effective colleagues, well-motivated and aspirational students, opportunities for partnership working and a very supportive community. In return, we will expect a positive and enthusiastic approach, emotionally intelligent leadership, an unwavering commitment to Personal Best and a passion for working with young people to make a positive difference to their lives.

If you are inspired by this opportunity and have the qualities to contribute to our high-quality provision, then we would be delighted to hear from you.

Departmental Subject Profile Business, Economics and Politics

Departmental Ethos

Our departmental ethos is very much a reflection of the whole school ethos: 'together we achieve our personal best'. Within our department, each individual student is encouraged to achieve the very best they can, developing the appropriate skills required for post 16 study and beyond. Business Studies, economics and government and politics provide an insight into how the world works and affects government policy and as such are an essential part of the school's curriculum. Our subjects complement many others areas of the school as well as those in the Humanities and Social Sciences Curriculum Area itself.

The Team

There are seven members of staff within the department: the Head of Department, four full-time teachers and two part-time members of teaching staff. The department prides itself on very positive relationships between students and staff, extensive enrichment opportunities, excellent levels of contemporary subject knowledge and good examination results.

The Curriculum

Year 9 Business & Enterprise course

Students have the chance to opt for an introductory business course (non-examined) comprising of one double and one single lesson per fortnight. This covers some topics on the GCSE syllabus, such as types of businesses, but largely involves project work to help develop deeper understanding in key areas such as recruitment, location and production. Project based learning also helps develop student skills, later supporting controlled assessment and project qualifications.

GCSE Business (Edexcel)

Taught over 6 lessons per fortnight in line with all option subjects, this is a popular option and we currently have six mixed ability classes in year 10 and the same again in year 11. The course focuses on investigating small businesses in year 10 and building businesses in year 11.

AS and A2 Economics (OCR)

A Level Economics is increasingly popular in school with 3 groups currently in year which is also projected to be the case in year 12 and 13 moving forward. There are eleven lessons per cycle.

AS and A2 Business Studies (Edexcel)

A Level Business is also increasingly popular in school with 5 groups currently in year 12. Again, this is projected to be sustained for year 12 and 13 in the future. There are eleven lessons per cycle and groups are generally split between two teachers within the department.

General

The department has an excellent reputation, strong results and high expectations of its students. The post would ideally suit an individual who is committed to the continuing development of the department, who has excellent subject knowledge and a commitment to the teaching and learning of economics with business. For exceptional applicants, there is the opportunity for a TLR as Lead Teacher for Economics. In your letter of application, please outline how your experience and skills qualify you for this post and the contribution that you feel you can make to the department.
