About Esteem Multi-Academy Trust

Esteem Multi-Academy Trust currently comprises of twelve academies throughout Derbyshire, Derby City, and east Staffordshire. Formed by a group of like-minded school leaders in August 2018, the MAT is currently responsible for the education and care of approximately 1,200 students and employs around 750 staff. The total revenue budget for the MAT is approximately £23 million and plans are in place to expand further.

Esteem Multi-Academy Trust has grown from seven to 11 academies within its first 18 months and now includes 7 special schools and 4 support centres (PRUs) and a primary school with enhanced resource provision educating young people with a range of additional needs. We wish to grow further to fulfil our vision to become a centre of excellence for special educational needs and disabilities (SEND). We have a well-defined set of values and a clear vision for the MAT to become a regional hub for expertise in SEND and inclusion. We share a collaborative ethos, believing that our collective efforts will achieve a better outcome than we can as individual schools. Our academies focus on the holistic needs of the young person, due to students' vulnerabilities. So, 'joined-up thinking', between our academies and different agencies, is essential to deliver the right support for our students.

The main aims of Esteem MAT are to:

- Provide an ambitious, inspirational, bespoke education, setting the foundation for the future and ensuring our young people are ready for the world;
- Deliver high standards and value for money from our support services, resources, estate and technology; and
- Invest in and support our people, exploiting opportunities for collaborative, continual professional development, sharing of expertise and best practice.

As a group of academies working together, we can share and deliver better practice. We will be able to commission health, care and therapy services in a fully 'joined-up' way.

The MAT pays full regard to the DfE 'Keeping Children Safe in Education September 2022' guidance. We ensure that all appropriate measures are applied in relation to everyone who works for the MAT who is likely to be perceived by the students as a safe and trustworthy adult including volunteers and agency staff. Interviews and DBS checks are also undertaken.

If you are not currently working with children, but have done in the past, your previous employer will be asked about any offences.

Where neither your current or previous employment has involved working with children or young people, your current employer will be asked about your suitability to work with children and young people, although it may be answered "not applicable", where appropriate, if your work has not brought you in to contact with children or young people.
