

Required for September 2022

**Teacher of English  
Curriculum Area Profile English  
TMS/UPS**

We require a dynamic and enthusiastic, well qualified and talented teacher of English to join our successful team and to inspire students of all abilities and achieve excellent results at KS3 and KS4.

We require a self-motivated, talented and innovative teacher of English to join the English Curriculum Area. We are a dynamic and successful curriculum area in a school renowned for academic excellence. The team has a strong vision of self-evaluation and improvement, and we are very committed to collaborative planning. Students benefit from a rich extra-curricular offer in English, including theatre trips, enrichment activities throughout the year and extended English projects during "Activities" week.

The English CA is a vibrant and self-motivated group of teachers and support staff. Within the CA there are 11 teachers, including a Director of Learning who leads the CA, and two supporting Assistant Directors of Learning. We also have designated administration support staff.

The English CA has a suite of rooms including nine classrooms, all of which have projectors and Smartboards. There is also an English staff resource room in which ICT facilities and staff workspace are available, as well as two designated large bookstores.

We have high expectations of all our students and use mixed ability setting, with additional stretch classes in Key Stage 3 and Key Stage 4, to enable all students to reach their potential. We follow the AQA GCSE syllabus. All students are entered for GCSE English language and literature.

The students at Millais are able and usually very well motivated. A teacher is sought who has the ability to engage them in a lively and stimulating way, so that their skills and enthusiasm will be developed. Our aim is to give them a life-long interest in the subject and equip them for the challenges of the international workplace.

If you would relish the opportunity of working with highly motivated students in a supportive and stimulating professional environment, then we would welcome your application. The successful candidate would benefit from a high level of support and continuing professional development.
