

2021-22 Job Description

Job Title **Teacher of A-Level Physics**

Report to Subject Leader of Science

Salary/pay grade MPS / UPS

This post offers flexible hours from 0.3 upwards and can be timetabled to suit the successful candidate.

Specific responsibilities of the post:

Curriculum

- To work with the subject leader to develop and deliver an ambitious KS5 curriculum that educates and equips the whole student through a world class personalised education;
- To contribute to the evaluation of the delivery of that curriculum, ensuring that it provides an effective framework for continuity of student learning and exceptional progress;
- To keep up-to-date with national developments in curriculum design and pedagogy.

Teaching and Learning

- To support individual students and groups of students to make improved progress;
- To create a positive climate for learning through high quality teaching and learning;
- To use action research techniques to develop innovative approaches to teaching and learning;

Assessment and Recording

- To ensure that assessment of student progress is accurate and informs future learning;
- To attend parents' evenings for those classes and subjects to which you are assigned;
- To support classroom teachers in assessing student progress;
- To monitor student progress including at sub-group level, for example able, gifted & talented, SEN/D and those for whom the school is in receipt of pupil premium funding;
- To provide diagnostic, formative and summative assessment information to students, parents and other school leaders as appropriate.

Student personal development and well-being

- To promote high standards of personal conduct and behaviour so that effective learning can take place;
- To ensure that the school follows the national policy on safeguarding and thus ensures that students are healthy and safe at school;
- To promote good attendance, punctuality and a high standard of school uniform;
- To contribute to the personal development of students through engagement in a range of extra-curricular activities.

Relationships with key stakeholders

- To foster positive relationships throughout the school community;
- To develop effective relationships with parents which focus on students' learning and progress;

- To develop positive relationships with the local community, including employers and outside agencies;

Other duties

- To develop and contribute towards a broad and exciting extra-curricular programme;
- To undertake any further duties as outlined by the Principal provided that they are reasonable and appropriate.
