# A LETTER FROM THE HEADMASTER

---

Dear Colleague,

Thank you for expressing an interest in applying for the position of **Psychology Teacher - Part-time (0.5)** at St Christopher's. This vacancy will provide the successful candidate with the opportunity to work in a very strong department and an **Outstanding** 11-18 Church of England high school.

The successful candidate will join a joyful, flourishing and thriving school. The staff are hard-working, reflective and collegiate in approach. Our pupils are a delight and parents are very supportive. We are always oversubscribed in Year 7 and the Sixth Form, although we take nothing for granted. This year, for example, well over 800 pupils applied for one of our 195 places. St Christopher's is a rewarding place to work and to develop professionally. The school engenders real loyalty from all who are associated with it.

The application form should be completed electronically and emailed to **[vacancies@st-christophers.org](mailto:vacancies@st-christophers.org)**, marked for the attention of Mrs Grimshaw, my PA. It should be accompanied with a supporting letter of not more than two sides of A4 paper, in 11 point font, explaining your suitability for the post, including reference to your skills, experience and a flavour of your vision for teaching at St Christopher's.

The closing date for applications is **26<sup>th</sup> February 2024** (at midday) and interviews are planned for **29<sup>th</sup> February 2024**.

If you would like to find out more about the school or position, or to organise a visit, please feel free to email my PA Mrs Grimshaw ([c.grimshaw@st-christophers.org](mailto:c.grimshaw@st-christophers.org)).

I took up my present position at St Christopher's in September 2013 and still recall the time and commitment required to go through the application process for a new post. If, having considered the supporting documents you feel you have the necessary qualities we require, I would be delighted to receive your application.

Yours sincerely,

**R D Jones**  
Headmaster

# ABOUT ST CHRISTOPHER'S

## Introduction

St Christopher's is a highly successful and popular 11-18 co-educational Church of England single academy with 1,300 pupils and students on roll. We are situated in the Lancashire town of Accrington close to the Ribble Valley. Good motorway links mean that Preston, Burnley, Blackburn, Manchester, and North Yorkshire are all within a 30–40-minute car journey. The school is situated in a pleasant setting with views towards Pendle Hill.

Our pupils come from a wide catchment area. Pupils join us in Year 7 from over fifty primary schools, and the sixth form receives students from around thirty secondary schools. We enjoy an enviable reputation, built-up over many years, for providing high quality education for a comprehensive intake of pupils. Our reputation means that we are a popular school, and always over-subscribed. However, we do not allow ourselves to become complacent, always striving for higher standards in all areas. This year, for example, well over 800 applications were received for the 195 on offer. Ten per cent of our pupils are eligible for the Pupil Premium and 3% are from minority ethnic groups.

Our teaching comprises of 80 teachers and 12 teaching assistants. The core Senior Leadership Team is substantively the headmaster, one Deputy Headteacher, one Senior Assistant Headteachers, three Assistant Headteachers, and the school Business Manager.

The school's commitment to learning extends to staff as well as pupils; there is a well-developed support structure for early career teachers and other new members of staff, and a strong culture of ongoing professional development among our teaching and support staff. We are continually looking to develop and further improve the quality of teaching and teachers are encouraged to think deeply about how pupils learn. Whilst we appreciate the contribution that technology can play in assisting learning, we remain committed to the idea that it is the teacher who makes the difference.

## Academic results

Our pupils achieve very well, and all move on to high quality destinations. This year over 80% Year 11 pupils gained 5+ GCSE passes at grades 9-4, including English and mathematics. Our Sixth Form, which opened in 2010 and now has over 300 students studying A-level, achieved impressive results, with 84% of students gaining A\*-C. Attainment and progress are at record levels.

The school has grown significantly in recent years, but this period of change has been managed without compromising the high standards of pastoral care and academic achievement for which we are well known.

## Curriculum

We offer a genuinely broad and balanced curriculum to all year groups rooted in a strong and coherently expressed sense of educational purpose and intent. Pupils acquire the skills, concepts, knowledge, and skills necessary to prepare them to take place their place as active and successful citizens of the 21st century.

At Key Stage 3, subjects are taught according to the National Curriculum guidelines and a wide range of proven learning styles are used to ensure that all pupils are engaged and able to progress. Teachers use their expertise to identify the key knowledge that pupils need, and this helps pupils to strengthen their knowledge and deepen their understanding.

In Years 10 and 11, all pupils follow a core curriculum of English, mathematics, science, RE, PSHE and RE. In addition, pupils select courses from a wide range of GCSE options. Pupils are encouraged to study the EBacc suite of qualifications, with the most able following separate science courses.

---

Nearly thirty A-level courses are offered in the Sixth Form. Most students continue to study four subjects for most of the Lower Sixth and continue with three of these in the Upper Sixth. All sixth formers participate in our extensive enrichment programme. A wide range of options are available including pre-professional work experience, sports academies, archery, and dance. Most students progress to university with many making successful applications to Russell Group universities including Oxford and Cambridge.

The curriculum is based around five sixty-minute periods per day, organised as a two-week 48 lesson timetable.

### Extra-curricular activities

Pupils are encouraged to participate in a wide range of extra-curricular activities including the largest school-based Duke of Edinburgh Award Scheme in Lancashire, an award winning eco group, and a vibrant music department which enjoys a national reputation. Opportunities for foreign travel are numerous, including, in recent years, visits to India, Iceland, USA, Paris, Rome and Barcelona.

All staff are encouraged to participate to the extra-curricular life of the school and contribute in any way they can.

### Pastoral care

The Heads of Year and Form Teachers (Personal Tutors in the Sixth Form) have responsibility for the welfare, academic progress, and discipline of the pupils in their care. Time is set aside each day to enable form teachers to get to know each pupil as an individual.

Pupils are offered many opportunities to accept positions of responsibility in addition to the senior roles of prefect, Head Boy, and Head Girl. Pupil Voice is active and encouraged and most notable through the work of an active School Council.

### Spiritual care and worship

St Christopher's opened in 1958 to educate the children of Church going families of east Lancashire. Admission to the main school is primarily based on parental patterns of worship at churches recognised by Churches Together or the Evangelical Alliance.

The school motto of 'Ad Gloriam Dei' informs all that we do. We try to establish caring attitudes and lasting values through worship and work done in the classroom, as well as, on a more practical level, supporting charitable appeals.

Each school day begins with an act of worship within the Anglican tradition. A Chaplaincy Team supports our worship and pastoral work, each year group having its own chaplain.

At the last SIAMS inspection (2016) the school was judged **Outstanding in all areas**.

### Ofsted

The school was inspected by Ofsted in December 2016 and was judged to be Good with several Outstanding areas. Inspectors reached some telling judgements.

- **'Leaders have created an ambitious culture. Pupils are expected to become the best they can be, both academically and socially.'**
- **'Pupils' attendance is excellent.'**
- **'The work the school does to keep pupils safe is exemplary.'**
- **'The behaviour of pupils is outstanding.'**
- **'Tolerance and respect are strongly evident throughout the harmonious school community and the warm and inclusive ethos permeates every aspect of the school's work.'**
- **'Pupils are proud of their school. Pupils of all abilities demonstrate resilience and enthusiasm in lessons.'**
- **'Attainment is at record levels.'**

These judgements were confirmed in our Section 8 report which was published in May 2022.

We all work hard to ensure that every child at St Christopher's is known, supported, and challenged. In the words of one of our former students...

***"I am still not sure what I want to be but after studying at St Christopher's I know who I want to be."***

***"St Christopher's Christian virtues give all pupils a caring, structured environment in which we flourish into capable and successful young adults. Our school ethos establishes a compassionate atmosphere that guides us to become positive, appreciative members of the St. Christopher's family."***

The purpose of the Psychology department at St. Christopher's Sixth Form is to offer students an engaging and stimulating course to discover insights into the reasons behind human behaviour, helping them to gain not only a better understanding of others around them, but of themselves too. The Psychology curriculum at St. Christopher's enables our students to value the importance of psychological research and promotes curiosity, equipping them with the necessary scientific knowledge, skills and vocabulary to develop a better understanding of human behaviour. We do this using quality teaching which ensures students understand underlying psychological principles and can apply them in a variety of familiar and unfamiliar contexts. We want students to be able to think analytically and reach logical conclusions based on scientific evidence.

Lesson materials and activities are engaging to promote exploration of a topic with as much practical application and research where possible. As a knowledge-based curriculum, we believe that knowledge underpins and enables the application of skills. Content is delivered to students and then built upon through a variety activities and exam focused practice, with regular quality feedback being given to support student progress. A range of technology is used to support and enhance learning too. The knowledge acquired then allows students to develop their analytical and critical thinking skills.

To inspire and promote a deeper interest in the subject, aspirational trips and talks are held with former students now studying Psychology at a higher level, as well as strong links with University Psychology departments. One of the inherent features of Psychology is the relatability and clear application of the content to the student's everyday lives and so providing them with opportunities outside of the theoretical classroom is highly valued. Furthermore, students are offered the Psychology Ambassador role as an opportunity for them to further engage in the subject beyond the A-level course and share their passion for the subject with others. When younger prospective students can see the enjoyment they have for Psychology it helps instil in them an anticipation to study the subject should they start with us in the Sixth Form.
