

April 2021

Dear Applicant

Teacher of Art and Design – Maternity Cover

I am delighted to introduce you to Staploe Education Trust. We pride ourselves on schools which are great places to work. We support professional and personal development, providing and creating opportunities for our colleagues to progress, whatever their aspiration. We have high expectations of ourselves and of one another, and the culture of our Trust is one of professional collaboration across and between schools. We are successful because we work together.

Staploe Education Trust is a relatively small Trust with four very different schools. We serve our community through every phase of a child's school journey. Together, our schools provide a high-quality pre-school, primary and secondary learning environment for children, with a strong ethos of achievement, rich curriculum experiences and inspiring opportunities. We work together to tackle the barriers children face in their learning and development, so that every child will aim high, remain safe and thrive. Based at the heart of our community, we contribute to the creation of excellence in education through partnership.

Our schools are great places to work. We offer a supportive environment in which teachers can benefit from creative, research-led professional development, whatever their career stage. I hope that you will have a good look at what we do and that Soham Village College might be the right place for your next move.

Yours sincerely

Dr Carin Taylor
Executive Headteacher
