About our School

Redhill School continues to provide an excellent all round education for our students. Our 'Commitment to Excellence' shines through in all of our work, with our success being built upon the high quality of our teaching and excellent pastoral support. The comments in the last school OFSTED report, which recognised the impact of the outstanding provision within the curriculum for care, guidance and support, are still true today. Since this inspection the school has not in any sense stood still but has built upon its strengths to demonstrate that it is fully committed to continuous improvement to meet the new challenges.

If you aspire to make an impact on the lives of the students in our care, Redhill offers you a wonderful professional opportunity to work alongside an excellent team of staff. We are fully committed to ensuring that our school is a place of learning where people are happy, healthy and successful.

Redhill serves the town of Stourbridge with the current pupil numbers on roll being 1232. We have recently expanded our PAN to ensure we can meet the demand for places.

Stourbridge is on the edge of the West Midlands conurbation with easy access to Birmingham, the Black Country, North Worcestershire and the motorway network. It is an educationally rich area with successful primary and secondary schools and Sixth Form Colleges.

Redhill School is popular with parents, being oversubscribed each year, and achieves excellent GCSE results. The school's appeal is based in its strengths in core subjects, modern foreign languages and its strong tradition in other areas such as sport, music and drama.

The school has benefited from a number of developments in the last few years, with new build science, language and sports facilities, the latter in partnership with the Football Association, and a complete refresh of ICT equipment. In 2018 we were successful in two CIF bids and the school estate and facilities have been well managed and are of high quality.

Redhill School is a great place to come to work. We have a full induction programme for new staff, who meet together regularly both formally and informally. The culture of challenge and support is shared not only with our pupils but with staff as well. New staff will often be given a peer mentor to support them in their first year.

Safeguarding

Redhill School is committed to safe working practices and safeguarding for children. Applicants will be required to complete pre-employment checks on suitability for working in a school. We also promote equal opportunities for all.

Message from the CEO, Stour Vale Academy Trust

I would like to thank you for your interest in the post of Teacher of Art and Design at Redhill School.

Stour Vale Academy Trust is a diverse and interdependent, successful family of schools, founded on effective collaboration and committed to pursuing excellence through continuous improvement. Whether you are a member of the finance team, the operations team, the teacher training and development team or the executive team, as a central team member our role is to provide comprehensive support and appropriate challenge to member schools and to work together to ensure the very best outcomes for children and young people. Our expectation is that you are committed to our Stour Vale values, ethos and approach and that you place children and young people at the heart of all decision-making.

If you are someone who enjoys challenge and is ready to play a vital part in the team who will create a successful future for all of the pupils in Stour Vale Academy Trust, we would welcome your application for the post.

About Stour Vale Academy Trust

Our multi-academy trust was founded in 2017 and developed from collaboration between schools, the significant positive impact of which convinced three schools, two secondary and one primary, that together we would have much greater capacity to continuously improve. Over time, Stour Vale has steadily grown. We began as a cross-phase multi-academy trust and as we have grown, both secondary and primary schools have joined us. There are currently eight member schools, three primary, one junior and four secondary, with a further primary school and an infant school due to join before September 2023.

As a successful family of schools, delivering high-quality education for the communities we serve, Stour Vale values its diversity. Each school brings their own distinct character, community, history and identity. We celebrate the uniqueness of member schools, recognising that there is a great deal to learn from education in different contexts. This is also the reason why we remain outward-looking, committed to learning from research and excellent practice across the education system.

Our Vision and Values

Stour Vale Academy Trust holds children and young people at the heart of all that we do. We recognise that as a multi-academy trust we exist in order to advance education for the public good. Our mission, therefore, is to improve life opportunities for children and young people by both providing the best possible education and care to pupils in Stour Vale member schools and by having a positive impact across the wider education system. Our values are encapsulated in four words:

OUR VALUES

INTEGRITY

By always acting with integrity we will deploy our resources appropriately to provide the very best education and care for pupils. This approach will enable us to recruit and retain the best staff who share our values.

We recognise our responsibility to support and challenge member schools to have a positive impact on the lives of children and young people, our communities and the wider educational system.

RESPECT

We are committed to treating everyone with respect and promoting equality.

Stour Vale member schools are safe and inclusive schools. We value and celebrate the diversity of pupils, colleagues and the communities we serve. We believe that developing pupils' character and their own commitment to treating others with respect must sit alongside the pursuit of academic excellence.

COLLABORATION

Stour Vale Academy Trust exists because we believe that effective collaboration has a positive impact on the life opportunities of children and young people.

We believe that working collaboratively together we have much greater capacity to realise continuous improvement in all member schools. Therefore, we seek to actively promote positive, impactful collaboration, most often with school-based staff taking the lead.

EXCELLENCE

We are committed to constantly pursuing excellence and improving all aspects of our work as a trust.

Excellence in teaching and learning, curriculum and character development is our primary focus. This will be achieved by realising our ambition to provide top-level professional learning for all colleagues, developing leadership in every role and providing exceptional back-office services such as HR and finance.

SVAT.ORG.UK

We describe our shared approach to school improvement as 'secure autonomy'. Headteachers, with school leadership teams and staff, have autonomy to lead school improvement in their own schools, responsively and in collaboration with others within and beyond our trust. We believe that this approach enables us to grow, attract and retain excellent school leaders and to develop the most innovative and impactful school improvement strategies. We recognise that this autonomy must be secured within the structure of the multi-academy trust, and our model of challenge and support for impact, underpinned by our shared values, ensures sustained school improvement and a sharp focus on outcomes for pupils. This in turn realises our ambition that **Stour Vale** member schools will *create the difference together*.

Art and Design Department

The Art and Design Department at Redhill School is one of the most vibrant, creative, successful and popular departments within the school.

The department offers students outstanding creative opportunities during lesson time as well as during the extra-curricular activities. We are constantly developing our curriculum in order to engage and enthuse our young learners, and tailor projects to allow independent work and individual students to work in a media that they are confident in at GCSE. During KS3, students study a wide range of skills and techniques including ceramics, printmaking and drawing and painting techniques through termly projects tackling a variety of artists, styles, concepts and contemporary topics.

In Key Stage Four our students build on these skills and students can access photography, digital media, graphics, illustration and textiles.

All pupils follow AQA GCSE Art and Design, with one group taking Photography. We teach mixed ability groups with photography currently offered to lower ability students, although there are opportunities for photography through the Art and Design GCSE. We have an annual exhibition of GCSE work in September but also showcase our students work throughout the year with online exhibitions.

The department consists of 2 full-time teaching posts and 2 part-time positions (1 held by a teacher in a leadership position in the school). We have 3 large well resourced rooms with large windows to let in lots of light along with good overhead lighting. One room has a suite of computers and all are multipurpose.

The department is highly supportive of one another. We set ourselves the highest standards and all members of the team have a real drive and passion for teaching. We are looking for a like-minded colleague to join us for this one year fixed period to cover long term illness.

The department is always looking to move forward and continue to raise standards. We wish to appoint a dynamic teacher who can inspire students with their drive and enthusiastic approach to teaching and learning. Teaching at Redhill, as with all schools, is both challenging and rewarding. Full CPD support is offered with a system that supports individual and departmental training needs.

We have a lovely school that is highly over-subscribed which OFSTED described as having “a unique Redhill factor”. If you join us you will be working with highly motivated pupils who want to succeed. Your task, with the rest of the team, will be to ensure that every opportunity is offered to them to do this.
