An exciting opportunity to be part of a strong team in a growing and thriving Academy with a clear vision and ambition for our students.

We are looking to appoint a full time teacher of art and/or design technology to join our outstanding team of teachers. This post would suit either an experienced or newly-qualified teacher. The ethos of the team is extremely supportive and positive, with a proven track record of outstanding outcomes.

In return we can offer you:

The successful candidate will need to be reflective, innovative and be willing to continually develop their practice. You will be joining a highly effective team who work collectively to move student progress forward each year, both within the art and design technology teams and the wider school.
