HAILSHAM COMMUNITY COLLEGE ACADEMY TRUST

'Be the very best you can be'

Dear Applicant

Thank you very much for your enquiry for the post of Teacher of Science at our College. We hope that you will decide to apply for the opportunity to play a key role in the development of education in Hailsham and we hope that the information below will be helpful to you.

Hailsham is an historic market town close to the large and vibrant towns of Eastbourne and Brighton, with some of the most spectacular scenery in England on its doorstep.

Hailsham Community College has been on an incredible journey over the past few years. Since becoming a Converter Academy in 2012 the college has grown significantly and in 2019 we became a 2-19 all-through school, with our Primary and Pre-school provision situated approximately a mile from the Secondary site.

The Academy has benefited from significant investment over recent years. New facilities include a state-of-the-art three-storey teaching block containing 22 classrooms and SEND hub, a fully refurbished Post 16 Learning Centre and a floodlit all weather sports pitch to complement our already extensive sporting facilities.

The college motto, 'Be the very best you can be!' is very simple but encapsulates everything we believe in for the entire college community, learners and staff alike.

You will find our values and principles put into practice in a busy, cheerful community based on friendly relationships; the atmosphere is positive and full of purpose and endeavour. Our focus is on learning; we take pride in nurturing and supporting the personal, social and academic development of each individual.

The college underwent inspection by Ofsted on 1 March 2017 and was judged to be 'good' throughout.

We hope that you will decide to apply. We have always actively encouraged candidates to visit the Academy prior to completing an application form. Please call us on 01323 841468 if you would like any further information or would like to arrange an informal visit.

I hope to have the pleasure of meeting you soon.

Yours faithfully

Phil Matthews
Executive Principal

'Be the very best you can be'

Art Department – November 2022

The Art Department at HCC are reflective practitioners. We relentlessly 'tweak' what we do. We work well as a team and share ideas.

As teachers we continually strive to develop the student's love of / interest in the subject, but also their need to treat it as a discipline. We expect students to adopt a professional approach to their studies.

Modelling and demonstration are at the root of what we do in the classroom.

Curriculum

Key Stage 3 starts with a drawing test against which we judge the student's subsequent progress. Our emphasis at KS3 is to teach students skills that will enable them to generate more sophisticated visual art outcomes. Year 7 is primarily about developing skills and Years 8 and 9 are about expanding those skills and developing ideas. There is an emphasis on drawing as well as experience of a range of media.

At GCSE we use the AQA specification in both Art and Photography. Both GCSE courses are successful. The drive is to equip students with skills and then develop their independence through themed projects. Both courses use a mixture of digital and physical media. We are equipped purpose built art rooms, with a dedicated Art IT room that runs Photoshop Elements.

At A-level we offer the AQA specification in Art, Craft & Design and Photography. Year 1 of the A Levels is exploratory; it starts with a Transition Unit to bridge the gap from GCSE, and then plays out with a series of short briefs designed to enhance skills and promote idea development. Year 2 focuses on the Personal Investigation. This is a student driven extended unit using relevant work from Year 1 and preparatory work produced during Year 2. The lessons are tutorial based consisting of one-to-one conversations with students, helping them structure their artistic development. Year 2 also features an exam with themes set by the exam board.

Department Team

As a department we have a lot of pride in what we do and are continually striving to refine our curriculum and delivery. We are:

Mark Lawrence – Director of Learning for Art & Design/ Art teacher

Flora Davenport - Art & Photography teacher

Sue Catt - Art Technician

If you would like more information or would like to visit the department then please do not hesitate to contact me.
