Dear colleague,

Thank you for your interest in this post. We are looking for a Teacher of Art and Textiles to join our thriving department on a temporary basis to cover a period of maternity leave. The successful candidate will be a passionate, dedicated and inspirational classroom practitioner, with experience of teaching both Textiles and Art to GCSE level. The ability to teach Art up to A-Level is desirable but not essential.

There are over 1200 students in the school, including 316 students in our Sixth Form comprised of a mixture of students who were with us in Year 11 at Sutton Girls and others who joined at the start of Year 12. We are currently planning a new two-storey building to add to our existing excellent facilities to enhance the provision for our Sixth Form student and provide additional classrooms.

Ranked the 45th best state secondary school nationally in the recent Sunday Times Parent Power Survey, we take pride in offering students an inspirational environment. We provide high quality teaching and learning, strong pastoral support and a wide range of extra-curricular opportunities within a caring environment that values character development and wellbeing. Our students are highly motivated, have a thirst for knowledge and a desire to learn. Whilst we have a long history of excellent GCSE and A-Level results, we provide students with so much more than mastery of examination syllabuses; we have a wide ranging and developing super-curricular offer. Our vision is for all students to have a love of learning, a positive and resilient approach with a strong sense of community. Every individual will be encouraged to be aspirational, prepared for their future and inspired to make a difference.

Our culture is one which celebrates the diversity of the school's intake and through the assembly, tutor time and Personal Development programme we build an understanding, kind and respectful ethos. Our wide variety of extra-curricular activities enable students to develop their existing skills, discover new ones and broaden their horizons. There are numerous opportunities including sport, music, drama, DofE, STEM, various student led clubs and many residential trips, including CERN, World Challenge expeditions to Tanzania and ski trips to Canada. Our students are drawn from across the city of Birmingham, with many travelling long distances to be a part of Sutton Girls.

These are exciting times for the school; we have fantastic results, and we continue to reflect on ways we can improve and support students to make further progress and realise their ambitions.

August 2023	61%	83%	0.94	56%	83%

We are embedding a culture of development across the whole staff. There is a wide variety of CPD that colleagues can opt into, teaching and learning sessions are included in most staff meetings, and these are led by a variety of colleagues. We are informed by educational research; this year we are focussed on increasing student engagement and participation by developing our questioning, using positive language and modelling constructive responses to mistakes. We are continuing to refine our approach to assessment, monitoring and intervention and are embedding the VESPA approach within our Sixth Form. Growth mindset strategies and character development are central to our day-to-day activities as we continue to enhance our practices whilst maintaining staff and student well-being.

Please visit our [website](#) to find out more about life in our Sixth Form and discover the opportunities we offer. This link to [our Spring 1 newsletter](#) gives you a flavour of what has been happening in school recently. Having joined Sutton Girls in September 2017, I can testify to the fantastic support offered to new staff, with the formal induction programme and buddy system alongside the daily informal help readily offered by colleagues to each other.

Thank you for taking the time to consider Sutton Coldfield Grammar School for Girls; we look forward to receiving your application.

Yours sincerely,

The Art and Textiles Department

The quality of Art and Textiles within the school contributes to our vibrant learning atmosphere, as it is displayed and celebrated in every area of the school building. We have two large specialist art rooms which provide a superb facility in which the students can develop their skills. There is also a studio space in which Sixth Form students can work. Our department is also well supported by an Art Technician. At GCSE and A-Level, the AQA specifications are followed with considerable success, as can be seen from the cumulative tables below.

The Art department has excellent IT facilities; comprising laptops, scanners and interactive whiteboards in both teaching rooms, and is extremely well-resourced with a wide range of materials and media available to all teaching groups. We follow the AQA specification for GCSE and A-Level.

Our Textiles room is equally well resourced with a suite of sewing machines and a sublimation press allowing for exciting and engaging use of subject matter, media and techniques.
