ABOUT BUDEHAVEN

Budehaven Community School is located on the beautiful north Cornwall coast in the town of Bude. We are proud to be a fully comprehensive school, welcoming and providing an inclusive education to students from ages 11 to 19. Our school also benefits from a thriving, successful Sixth Form, an on-site Area Resource Base and The Haven – our integrated Health and Wellbeing Centre, providing wider support for our students and members of the community.

Budehaven Community School is a thriving environment to be part of, and our ethos, which is built on a foundation of Care, Enjoyment and Opportunities, building Responsibility, Confidence and Success, is tangible from the second you walk through the door. As you travel around our school, the energy of the students and staff is infectious. The stunning work of our talented young people is on display around the school, and their artwork is one of our jewels in the Budehaven crown within our stylish Bistro Art Gallery, aside that of local artists for all to appreciate. We have an annual art exhibition, where members of the community come and admire the work of our young people.

We celebrate talent, skill, effort and difference, and the results of this are evident in every part of the school community. We are delighted that Budehaven Community School achieved the Regional Winner status for our Sports Leadership provision and we came third Nationally, awarded by Sports Leaders UK. Fundraising activities and competitions that take place across our different Houses bring out the generosity of all members of our Budehaven family. We have a thriving House System which was introduced in September 2021, celebrating the work of seven different charities across the country and beyond. Our students compete at a national and international level within sporting competitions; we are incredibly proud of them and we are so grateful for the support that our parents, carers and other members of our community give to our students. The musical talents of our students are stunning, ranging from the Jazz Band to the Samba Band, steel pans to piano recitals, further adds to the atmosphere. We were delighted in March 2022 to finally be able to celebrate the talents of our young people through our Spring Concert – our first concert in over two years!

We are proud to have been judged to be a GOOD school by Ofsted (February, 2017), and firmly believe that we continue to provide a great education for all, both inside and outside our classroom, for all students, regardless of their background. Our students achieve well: younger students follow a mastery curriculum that builds on prior knowledge and understanding in a spiral way, linking ideas within and across subjects. As a result, Key Stage 3 prepares them well for the challenges of GCSEs. Students know why they have learned what they have learned, and how it shapes their future learning and aspirations. Our Year 11 students' GCSE results show an increase in the number of students making good progress every year. They are bright, interested, and interesting, and have shown incredible resilience throughout the covid-19 pandemic, producing some outstanding work, be it at home or back in school where we want them to be! We have been recognised for our remote learning provision across the South West, with our model of remote learning being shared with many other schools. We are incredibly proud of our Sixth Form, which provides a range of A Level and BTec courses that cater for the academic requirements of all members of our school community, leading to them achieving top results. We are also very proud of our Sixth Form students; every year many of them go on to Oxbridge, Russell Group, national and international universities. For a number of years we have ranked in the top 20% of Sixth Form providers in the country, and this continues as we expand our provision. Our Sixth Form is hugely important to our local area, and the futures of our young people.

Budehaven students and staff are proud of our school and the community it serves. We are ambitious for our students, academically and for their development into curious young people. Our students understand and can articulate their thoughts and ideas on a wide range of topics, from climate change to politics, economics to science. They look beyond their locality, look at the world in wonder, and become thoughtful and productive members of society. We welcome anyone who would like to come and visit our school community, and cannot wait to show you all the amazing things we have to offer! If you would like to come and see who we are and what we do, please get in touch! We are very proud to be members of the Budehaven community

OUR LOCALE

North Cornwall's beaches are famous for their haunting beauty and those in the Bude area are no exception. Vast expanses of clean, golden, sandy beaches, often backed by rugged cliffs, have captivated many a visitor's imagination over the centuries.

Bude itself has two main beaches, **Summerleaze** great for surfing and **Crooklets** which enables access, at low tide to the quiet coastline north towards **Northcott** and **Sandymouth**.

South of the town the beaches and bays of **Widemouth, Wanson Millook & Crackington Haven** which offer a wide range of attractions from surf schools to Geological marvels. The coast path in both directions from Bude offers stunning scenery and in places a great workout!

Head North to **Hartland Point** marks the location where the coastline takes a sharp right hand turn into **Bideford Bay**. The lighthouse there shines it's warning out across towards the nature reserve of **Lundy Island**. A unique habitat and perfect for Puffin spotting and swimming with the friendly seals.

Hartland Quay, Spekes Mill Mouth, Welcombe, Marsland Mouth and **Morwenstowe** offer access to the South West Coast path and all it's glory. The Rev **Hawkers Hut** is well worth seeking out.

A little further southward of Bude leads you to **Crackington Haven**, a beautiful little bay with Cafe's and Pub. Rising up to 'High Cliff' you then descend towards **Boscastle**, renowned and attractive National Trust village with spectacular cliff-hung harbour entrance, small quay and walks through beautiful **Valency Valley** and **St Nectan's Glen**. Thomas Hardy met his first wife here and based 'A Pair of Blue Eyes' on his experience in the district.

Tintagel, can get busy in high season but is always worth a visit. The ruined but spectacular **Tintagel Castle**, built in the 12 & 13th century by the Earls of Cornwall is another must see. Walks to **St Nectan's Glen, Boscinney Cove** and along **Rocky Valley** are a firm favorite of Staff at the school.

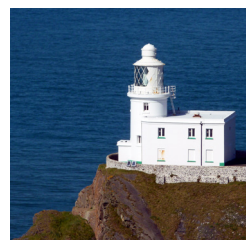

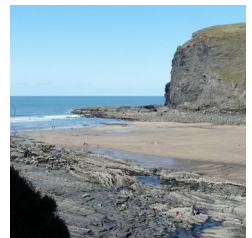

If you make it that far then it's just a short hop to **Port Isaac**, an unspoilt fishing village where white slate-hung houses run down to a sheltered harbour. It's a favorite location for film and TV companies with 'Poldark' and 'Doc Martin', 'Amy Foster' and 'Saving Grace' being shot there. It's little maze of alleyways, one called Squeeze-ee-belly, and old pilchard cellars, shingle beach and working crab boats are fascinating.

Wadebridge. Busy shopping centre. An historic centre for river, road and rail, with a 17 arch bridge over the River Camel, purportedly built on the foundation of wool sacks and known as 'The Bridge of Wool'. From here explore the wonderful **Camel Trail** South to Padstow or North to Wenford bridge, with the section between Bodmin and the end of the trail offering some of the quietest and most beautiful trail riding to be had in the South West.

Close by the A39, south of the town are the **Nine Maidens**—a line of tall stones, supposedly petrified maidens guilty of dancing on the Sabbath.

These are just a small sample of the huge variety of places to visit and things to do in this part of the world. We may well be a few miles from the major cities of Exeter, Truro and Plymouth but we make up for it with a quality of life that's hard to beat.

OS Maps: 190 'Bude & Clovelly', **111** , 'Bude, Boscastle & Tintagel' and **200** 'Newquay & Bodmin'.
