Opportunity,  
Responsibility, Excellence

The Cherwell School is a high performing and oversubscribed comprehensive school in Oxford (approximately 2,000 students on roll, including 680 in the Sixth Form). We achieved GCSE progress results in the top 5% of all schools in 2019. We are pleased that we hold an 'Outstanding' rating by Ofsted as we feel this is a fair reflection of the school, not least as we recognize that we have the capacity to develop and improve further. We consider ourselves to be a school which has at its heart "opportunity, responsibility, excellence" and we aim to make this a deeper reality for all of our students and staff in the years to come. Our aims are supported by our designation as a National Teaching School and as a School Centred Initial Teacher Training provider. We are committed to the professional learning and career development of our staff and work in conjunction with the River Learning Trust to raise standards.

We are seeking to appoint a qualified Design and Technology teacher (holds QTS) who has a genuine excitement for excellence in the teaching and learning of Design and Technology. The ADTE Faculty has a strong presence at KS3 and has seen growth in numbers over the past few years. Our supportive and experienced teaching team benefit from expert assistance from dedicated technicians. The successful candidate should enjoy working with young people and be able to make a positive contribution to our Design and Technology curriculum and the wider Art, Design Technology and Engineering Faculty.

Given the Teaching School status of the school and our commitment to staff development, the successful candidate will have ample opportunity to develop their own professional learning. This is a fantastic opportunity for an individual who is passionate about the provision of a rich learning experience for students. Should you wish to be part of our future, we welcome your application.
