ABOUT KESGRAVE HIGH SCHOOL

Thank you for taking an interest in our school.

We are proud of staff and students at Kesgrave High School and we expect them to take a pride in all that they do. We have a strong pastoral system, high academic standards and clear and fair behaviour expectations. Our experience tells us that children thrive in an environment that sets firm boundaries, is consistent in its expectations and which builds relationships that set the tone for learning.

We provide an environment in which our students feel safe and are encouraged to grow, often challenging their own expectations. Our positive, inclusive approach ensures that students make the most of their talents and potential. We are lucky to have a school environment which befits these expectations, investing in their futures through the latest technology and facilities.

We encourage students to take responsibility, to be curious and to have a thirst for knowledge. Students learn from each other, as well as from their experienced and skilled teachers, in a supportive learning environment, where everyone is valued.

Relationships within and beyond the classroom are positive and help us to secure the best possible outcomes for our young people. Teachers, associate staff, parents and carers all work together to help our young people to progress.

As a high-performing school and a founding partner of EAST SCITT, staff as well as students, continuously reflect on what they do and consider how to improve. Evidence-informed practice is at the heart of our classroom improvement. As part of East Anglian Schools Trust we work with like-minded schools who invest in staff development.

This is an exciting time to join our school, I look forward to welcoming you to our school in person and in sharing our pride in all we do.

The Structure

Key Stage 3

When students first join Kesgrave High School, they are taught in mixed-ability form groups. In Years 8 and 9, the students continue to be taught in mixed-ability classes, combining students from different form groups. Students receive one 95-minute Art lesson per fortnight in Years 7, 8, and 9.

Key Stage 4

There are over 30 options subjects offered at Kesgrave for students to choose from at KS4. Students have an entirely open choice of subjects for three of their four options and the Art and Photography GCSE options have proved very popular within the school. In Years 10 and 11, students receive three 95-minute Art lessons per fortnight. The Art department offers two GCSE pathways: an Art & Design course and a Photography course. GCSE Graphics and Textiles are taught through the DT specification and staff within the Art Department contribute to these courses where they have expertise. Currently, there are four classes in Year 10 (two for Art & Design and two for Photography) and four in Year 11 (two for Art & Design and two for Photography)

Key Stage 5

Since the opening of the Sixth Form in September 2001, Art and Photography have recruited strongly and both the range of courses offered and the student numbers continue to grow.

Our Sixth Form provides a creative and welcoming environment, with two dedicated buildings featuring state-of-the-art classrooms, an Apple Mac IT suite, meeting areas, and social spaces. The Art department offers two A Level pathways: Fine Art and Photography. Each has its own dedicated studio for A Level teaching. The Photography studio is equipped with a recently installed PC suite, as well as a darkroom and lighting studio. Year 12 and 13 students receive six 95-minute lessons per fortnight. Currently, there are three classes in Year 12 (one Fine Art and two Photography), and two classes in Year 13 (one Fine Art and one Photography).

The successful candidate should be able to teach Art across years 7-13 with an option to support the other Art-related subjects offered in the school. They should also be prepared to support and develop the awareness of the subjects and the extra-curricular activities for the department.

The position is suitable for an experienced teacher or an ECT. Should an ECT be successful, the school offers a comprehensive Induction Programme and on-going support for CPD.

OUR CULTURE AND ETHOS

Kesgrave High School is proud to be ‘more than just a school’. Our ethos is at the heart of everything we do: ‘Be Positive, Be Respectful, Be Your Best’.

- We have an ethos of **purposeful learning** with a sense of adventure and challenge, where students and staff are empowered to experiment and develop exciting learning opportunities.
- Our practice and development is rooted in **evidence-based research**.
- **Class sizes are kept as low as possible**. On average a KS4 class has 22 students and at KS5 12 students.
- Our **three-period day** means that staff and students have a break after every lesson to ensure smooth transitions between lessons and a **calm purposeful learning environment**.
- All departments have access to a **designated curriculum administrator** who help drive improvements and reduce workload for teaching staff enabling them to focus on their core activities.
- **Team Rooms** for all departments help build **supportive collaborative relationships** and facilitate **shared planning time**.
- The majority of **meetings** are dedicated to Teaching & Learning.
- **Departmental development** is focussed on clear and manageable priorities rooting our work in the cornerstones of the best classroom practice.
- Lesson observations are for the purpose of **teacher development** and sharing of best practice. We discuss how to get better.
- There is no prescribed template for lesson planning. Our **Teaching and Learning Principles** focus on Subject Knowledge, Challenge, Modelling, Review & Retrieval, Questioning, Feedback and Oracy.

OUR CULTURE AND ETHOS

- A commitment to provide a truly exceptional extra-curricular programme, which includes over 50 clubs per week and a dedicated Activities Week in the summer term for all KS3 students.

- The majority of clubs and activities take place after school, benefiting from the staggered end of our school day, finishing at 3.30pm.

- We work closely with other schools in EAST. There are a number of collaborative teams across the four schools and a growing number of professional development opportunities. Whilst all distinct, we benefit from our connectivity to each other.

- We have ensured, despite financial pressures, that teaching staff will have a maximum of 83% contact ratio.

- Our behaviour policy is based on our three core values of 'Be Positive, Be Respectful, Be Your Best'. We invest heavily to ensure disruption-free learning in all classrooms, this includes centralised, same day detentions which are run and managed by senior staff.

DEVELOPING PROFESSIONALS WITH INTEGRITY AND AUTONOMY

- Each department has their own administrative support.
- A commitment to keep administration and meeting time to a minimum. Non-TLR holders will not be required to attend more than one after school meeting per week. All meetings have a published finish time and will end promptly.
- We have a rational approach to data. Teachers are not be expected to produce centralised data on individual students more than three times per year.
- No formal time-consuming report comments are needed within the normal report cycle.
- A evidenced-informed approach to marking ensures staff are not expected to mark every piece of work. Feedback can include verbal and whole class feedback when relevant. Key assessed pieces of work are marked in more depth reflecting the varying demands and contexts within the subject.
- Staff only complete one 20 minute duty per week.
- Cover is minimal. If staff have to cover a lesson this is never more than half a lesson. It is very rare for staff to have more than four half lessons of cover per year.
