Welcome from Sara Edwards

Acorn Education Trust CEO

Thank you for your interest in one of our vacancies, I hope the information enclosed in this pack inspires you to apply.

Acorn Education Trust was established in 2014 to provide a local solution to a national strategy. We now serve 21 settings: 16 Primary Schools, 3 Secondary Schools and 2 nurseries.

Our mission is to 'prepare young people for their world in their time' and this sits at the heart of all we do. We strive for excellent leadership, excellent teaching and excellent learning. Our vision is to transform lives through education.

In every Acorn School, you will see:

- A** Active and visible leadership
- C** Care, support and challenge
- O** Opportunities for all
- R** Readiness to reach out
- N** Needs of all are paramount

Every Headteacher focuses on leading teaching and learning in their school. Central teams manage the business element of the Trust which allows us to share resources, improve IT and estates infrastructure and invest in school to school support. We are therefore able to direct as much money as possible into teaching and learning thus improving the life chances of all our young people.

Whatever role you are applying for, whether in a school or as part of the central team, we hope you can align with our vision and values, have the determination to succeed and are up for a challenge. In turn, we will provide you with a comprehensive and supportive induction programme, professional development and a career with Acorn.

We hope this information pack provides you with a flavour of working within our Trust and we look forward to receiving your application.
