

Hope Sentamu Learning Trust is a growing multi-academy trust for both primary and secondary schools along with Alternative Provisions.

Since the merger between Hope Learning Trust and the Sentamu Academy Trust, we continue to develop and grow so that everyone in our communities is given the opportunity to thrive. Schools across both the Trusts had previously been working together, so we already have a family of schools who share best practice. Each one of our schools has its own distinctive character, identity and strengths which it brings to the Trust so that we all benefit from each other. We have a very bright future ahead!

Our Vision

Our vision is really very simple. We aspire to provide a place where children and young people can thrive. The aspirations for our existing academies and those joining us are to establish environments where young people thrive. We want our schools to be places where children and young people thrive as active learners; compassionate, kind and creative individuals; caring and engaged citizens; and spiritual beings. We aim to grow together, to serve one another and nurture our children and young people.

In a world of turmoil we offer schools the opportunity to concentrate on teaching and learning, providing you with peace of mind as we look after everything else. Hope Sentamu Learning Trust presents opportunities and expectations that promote success.

As a Trust, we want every young person to experience great teaching, so we place the highest value on developing colleagues at all levels.

By working together we can ensure:

- all children and young people have a school in which to thrive as learners, as individuals, as citizens and as spiritual beings
- all staff and all governors are nurtured
- all children develop spiritually as well as academically
- no school is left behind regardless of its context and challenges, whether these are around size, rurality or levels of deprivation
- that all governance is highly effective in supporting and challenging the local schools
- a better use of resources by collectively sharing central services
- a provision of effective teachers and support staff, sometimes working across schools in new and imaginative ways
- access to training, support and external validation from a team of highly experienced educational consultants who will also support, question and challenge
- a link to a Teaching School to train the next generation of teachers and to support and develop others
- access to national resources such as capital grants through the EFA and other funding only being made available to MATs

Good luck with your application and I look forward to hearing from you

Teacher of Art/Photography/Graphics, Full Time, Fixed Term, Maternity Cover Main Pay Scale/Upper Pay Scale

Archbishop Sentamu Academy is one of six Hope Sentamu Learning Trust secondary schools. The academy has undergone a period of transformation and rapid improvement since joining and has, this year, celebrated the most successful results on record. This is an exciting time for the academy and will be an exciting opportunity for an ambitious educational professional to join the team. This is a great career opportunity, a chance to work in a close knit community but with extensive opportunities for professional development across the Trust as a whole.

Archbishop Sentamu is an 11-18 Church of England comprehensive school which serves a mixed, but heavily deprived catchment from East Hull. The academy is over-subscribed; it has a growing population of more than 1400 students who enter the school with attainment below national averages, but with an increasing number of high attainers and gifted and talented pupils. Our commitment to every child is absolute and we strive to meet the needs of all our pupils whether they are capable of achieving ten Grade 9's at GCSE or require the support of a full time teaching assistant or individual package of learning in order to reach their full potential.

Our distinctively Christian vision is that everyone will be able 'to lead the best life possible', now and in the future. It is underpinned by the words of Jesus in John 10:10 which says, "I have come that you may have life in all its fullness." Our vision is lived out through our academy values of Respect, Community, Courage and Wisdom. This leads to an ethos where we expect each individual to be their very best by accepting personal responsibility and always striving to do better. Each member of our community is respectfully treated to have the courage to push themselves to be inspiring future citizens and have the good wisdom to ensure they seek the support they need to do this. These expectations extend far beyond learning. We expect the highest standards of behaviour, creating an environment where students

feel safe, sanctions are applied fairly and positive contributions are recognised and rewarded.
