DEPARTMENT: ART & PHOTOGRAPHY

The Art & Photography curriculum offers students the opportunity to develop and enhance their creative abilities and aesthetic awareness. Our aim is to nurture individual talent and inspire students to think independently and imaginatively.

We are committed to providing an inclusive learning environment where every student has equal access to creative, academic, and personal development—regardless of gender, race, ability, background, or beliefs. Our courses actively challenge stereotypes, prejudices, and preconceptions, and reflect the school's commitment to gender equality and multicultural awareness.

Student Achievement

Our courses are highly popular, especially at GCSE level, with results that highlight the success and dedication of our students:

GCSE Fine Art

- 36% 9–7 (National Average: 23.8%)
- 94% 9–5 (National Average: 59.7%)
- 98% 9–4

GCSE Photography

- 33.3% 9–7 (National Average: 23.8%)
- 92% 9–5 (National Average: 59.7%)
- 100% 9–4

A Level Fine Art

- 33.34% A*–A
- 83.34% A*–B (National Average: 67.2%)
- 100% A*–C (National Average: 88.6%)

A Level Photography

- 16.7% A*–A
- 83.34% A*–B (National Average: 67.2%)
- 100% A*–C (National Average: 88.6%)

Facilities

The department is well-equipped with four dedicated art rooms, a dark room for photography, a computer suite, and additional specialist facilities including a printer and two kilns, used regularly for clay and glasswork.

Key Stage 3 (Years 7–8).

KS3

Our focus is on developing students' appreciation, understanding, and enjoyment of Art. Students build confidence in using visual language through the exploration of diverse themes and materials such as drawing, painting, clay, and construction techniques. Each student is provided with a personal sketchbook to complete homework and document their creative journey. Progress is continuously assessed, with a formal test at the end of each academic year.

Key Stage 4 (Year 9 onwards)

Students begin their GCSE studies in Year 9, following the **AQA specification**. They may choose between **GCSE Fine Art** and **GCSE Photography**. Both courses encourage an adventurous and investigative approach. While strong drawing skills are beneficial, a willingness to develop and improve is essential for success.

DEPARTMENT: ART & PHOTOGRAPHY

A Level

At Sixth Form, students can further pursue their passion through **A Level Fine Art** and **A Level Photography**. Entry is based on prior GCSE performance or a portfolio of work. These courses require a high level of commitment, independence, and genuine interest in the subject. Students are encouraged to develop their ideas through personal research and creative exploration. The department also offers opportunities for gallery visits and residential trips to deepen their understanding of artistic practice and context.

Curriculum Goals

Programmes of study within Art & Photography are built around two key objectives:

- To introduce and develop concepts, methods, attitudes, and technical skills relevant to Fine Art and Photography.
- To explore the connections between Art and other subject areas, supporting interdisciplinary learning across the wider curriculum.

Assessment

We aim to make students effective assessors of their own learning. Self-assessment is encouraged through discussion and peer group appraisal.

Staff assessment is based on progress, effort, and attitude and is related by level to the standards of the National Curriculum for each Key Stage.

Annual reports to parents are the formal method of passing on levels and achievements to parents.

The Art subject area rewards students for good work with achievement. This form is an integral part of the curriculum arising naturally from work in progress and chart a student's progress as well as indicating aspects which need further development through challenging target setting.

Differentiated Learning

We aim to help students to set a pace suitable to their own intellectual capabilities and interests. This helps them to own their learning and take responsibility for it, both as individuals and as groups. They are then actively learning and making decisions as a result of the experience. Together, with the teacher involved, discussions can take place and clear aims set for the work. With experience students can progress to making their own choices and handle their own achievements and select an outcome suitable to themselves.

All groups are mixed ability and reflect the range of a comprehensive school. All students have the opportunity to develop and extend their artistic skills and talents.

Frequent opportunity exists for students to exhibit their work and enter art competitions.

Extra-Curricular Activities

Extra-curricular activities offer a very positive benefit to all students and Art clubs are offered after school and at lunch time.

Several visits are arranged each year by the subject area and include visits to galleries, museums and places of interest such as the Saatchi gallery and The Photographers Gallery. Artwork is regularly exhibited in the school's Hub. The A level exhibition at the end of the year also offers the opportunity for Art students to see each other's work in a more formal setting.

INFORMATION FOR APPLICANTS

Glenthorne High School is a successful, over-subscribed, mixed comprehensive school for pupils between the ages of 11 and 19 situated in the London Borough of Sutton. In July 2017 we became part of the Willow Learning Trust with two local primary schools: Aragon and Abbey.

We believe in Achievement for All. We have a reputation for excellence and are well known for high standards of achievement and behaviour. Significant investment in facilities over the last few years has seen the building of two new science classrooms, a new 6th form facility and MUGA (Multi Use Games Area).

We were inspected by OFSTED in November 2021 and were judged good with outstanding in Behaviour and Sixth-form provision. Inspectors recognised 'pupils are happy and safe and behave exceptionally well'. Relationships between staff and pupils are excellent. Also recognising Leaders and staff high expectations of pupils and that pupil do well in their subjects and are focused on doing their best.

The school was designated as a National Teaching School in March 2013 and we developed the Sutton Teaching School Alliance to support professional development and further improve best teaching practice across the Borough of Sutton. Glenthorne became a SCITT in 2014, leading secondary and primary schools in Sutton and Merton to deliver high quality ITT. The SCITT was judged 'Outstanding' in 2021. The SCITT comprises of over 20 high-performing local, yet diverse secondary and primary schools, which have made rapid progress over recent years, have high expectations of students and view teacher training as the key to future success.

We also have a specialism in the arts. We are a centre of excellence in the arts and hold the Artsmark Platinum Award. We hold the Challenge Award recognising excellence in meeting the needs of our more able pupils. Professional development is encouraged at all levels of the school and is supported by performance management.

We value professional development and there are opportunities to develop subject, pastoral, and management skills.

Our priorities are to continue to improve specific aspects of teaching and learning, develop our curriculum and raise standards of attainment.

The curriculum at Glenthorne is organised into Subject Areas, each with its own Subject Leader. In Year 7, pupils

are set in core subjects and languages with mixed-ability groups for other subjects. Pupils take their options in Y8, and study their GCSE subjects for three years.

A wide range of GCSE and A Level courses are taught together with BTEC and other vocational courses. Subjects are taught in their own suites of well-equipped classrooms. Extra-curricular activities are a further strength of the school. Subject Areas encourage a wide range of extra-curricular activities - visits to galleries and theatres, clubs in Science and Technology, field trips, museum visits and so on. Recent school productions have included "Oklahoma" and "Addams Family". All involved over 100 pupils and proved to be huge successes.

Sport is a key area of achievement and the school runs a Football Academy for Sixth Form students. We run many teams and clubs in a variety of different sports. There is also an excellent Challenge Week for all KS3 students in July each year designed to promote teamwork, problem solving, creative thinking and resilience.

Pupils at the school are organised in mixed-ability tutor groups with nine (ten in Y9, 10 & 11) in each year group. Most form tutors and Heads of Year move up the school with the year group. Together they play an important role in the monitoring of pupil progress as well as in supporting individual pupils. All pupils and staff are all allocated to one of four Houses: Rollason, Seacole, Turing and Morris, providing opportunities for pupils in all year groups to work together in friendly competition.

The SEN Department at the school is fully committed to supporting the needs of pupils who experience learning, behavioural or emotional difficulties. We offer a wide provision of intervention and support encompassing literacy, numeracy, speech and language, social skills, anger management and individual mentoring.

We also offer the following benefits to staff: Discounted Healthcare, Electric Vehicle, Cycle to work schemes, on-site parking, Employee Assistant Scheme, and a generous pension, both Teachers and Support. The Trust works hard to provide a working environment and management practices which balance the drive for high standards and expectation with the need to promote employee wellbeing and good health.

GUIDANCE TO APPLICANTS

Please read these carefully before making your application.

THE APPLICATION FORM

Please complete in **black** pen or type. Additional sheets may be used.

The application form will play a key part in whether you are called for an interview, so it is important that you take your time and complete it as fully and accurately as possible.

When selecting candidates for interview we have to base our decisions on the information you give us. The Person Specification is enclosed with this application form. This is a list of the skills, knowledge, qualifications, experience, aptitudes and abilities that are required to perform the job. When we read your application form we will be looking for evidence of examples which demonstrate how you meet the criteria in the person specification. You must include sufficient evidence and examples to show that you meet the requirements.

PERSONAL DETAILS

For monitoring purposes we would ask that you provide the information requested on the Equal Opportunities Monitoring Form at the back of the application form. This form is removed before shortlisting and will be destroyed after monitoring.

CAREER HISTORY

This is the record of your work history. It may include periods of unpaid or voluntary work as well as paid employment e.g. you may include time spent as a carer for one of your family or a voluntary helper in a school. Please account for any gaps in your employment history.

If the title of the position does not make it clear what work you did e.g. twilight crew, canvasser, please briefly describe the main duties.

You may continue on another sheet if you need extra space.

EDUCATION, QUALIFICATIONS, TRAINING

The Person Specification may ask for specific qualifications or training. You should list the relevant qualifications or courses undertaken. Where you have additional qualifications or training, mention these if they relate to your knowledge or skills. Proof of qualifications will be required at interview.

STATEMENT OF SUITABILITY

This section is your opportunity to show us that you meet the Person Specification. Take each criterion of the Person Specification and tell us the details of your knowledge and experiences. Give specific examples of things you have done which demonstrate your ability.

When reading your application, we cannot assume that because you have experience you also have the ability to carry out a task and vice versa. You may have experience of managing staff, but we need to know how you motivated your staff. We don't expect you to have formal experience, but if you can show that you have the ability to do the component tasks, that will be equally acceptable e.g. to organise a meeting you need to be able to: liaise with others, book accommodation, organise refreshments, and compile agendas.

You may already have prepared a CV and want to send that instead of answering the Statement of Suitability. You may send it, but you must also complete the Statement of Suitability. CVs often list the jobs you have had and their responsibilities, but they often do not properly describe your skills and abilities. It is unlikely that we will be able to find enough evidence in a CV alone.

You may use examples and evidence from outside paid employment. You may use examples from voluntary work or your hobbies or interests.

PRE-EMPLOYMENT CHECKS & ONLINE CHECKS

If you are offered the post, the offer will be made subject to receipt of satisfactory references, online check, pre-employment medical clearance, an enhanced DBS disclosure and, for teaching staff, a check on your teaching qualification status. If your referees do not confirm what you have told us, we may want to discuss this with you.

We will ask you to complete an online Medical Questionnaire which will be sent to our Occupational Health Department. It is their job to make sure that you are fit to do the job we have offered you. In some instances,

you may be asked to go for a medical examination. You will also be asked to supply evidence of any qualifications that are required.

All employees are required to have DBS clearance. Unless you have a clearance issued within three months of being appointed, and have had no break in employment, we will require a new check to be carried out.

RELATIONSHIPS

We do not have a policy of excluding people who are related to school staff, Trustees or Governors, but if you are related to someone we will make sure that they are not involved in the selection process for this post. If we find out after you have been appointed that you are related to someone who interviewed you, we may dismiss you. 'Related' includes co-habiting with someone.

INTERVIEWS

Glenthorne has a policy of using a wide range of selection methods to assess whether people meet the criteria. All teaching staff will be asked to take a lesson but you may also be asked to take an ability test, do a presentation or other work related exercise. You will be advised of any method being used for the post when called for interview.

Prior to interview you will be asked to complete a Criminal Records Self Declaration, any issues of concern arising from a reference and/or Self Declaration will be explored during the interview process. At interview you will also be asked questions related to your Personal Statement, safeguarding and promoting the welfare of children.

COMPLAINTS

The school is keen to ensure equality of opportunity in its recruitment and selection process. If you think that you have been discriminated against during the selection process on the grounds of your race, age, gender, marital status, caring responsibilities, gender re-assignment, sexual orientation, social class, religion, belief or disability you may make a complaint and we will investigate. If you feel you have been unfairly treated you must contact the CEO, in writing, within 3 working days of being rejected after an interview. You should explain the reason for your complaint to the Headteacher, or his/her representative. The CEO, or his/her representative, may want to talk to you before confirming the outcome of the investigation.
