**Sackville School**

TOGETHER WE ACHIEVE

Dear Applicant,

We are delighted that you are looking to join our team.

Sackville is a vibrant school, with supportive families, colleagues and students who behave well and are a genuine delight to be around. This is a harmonious and happy place to work, with colleagues who want the very best for our students and work hard to achieve it. Our motto of 'Together We Achieve' very much resonates throughout the school.

Our academic standards are high, and our students make good progress with Progress 8 consistently being above average. We regularly have students achieve places at Oxbridge, with many more going on to Russell Group and other universities. However, as a truly inclusive and comprehensive school, we are equally proud of the students who successfully move on to apprenticeships, and into employment or training to meet their personal ambitions.

Pastoral care and the support we give students to achieve in life and in learning is of equal importance to us. We believe that every member of our team has a part to play in this and is central to the success of our new smaller Communities system, putting student engagement, wellbeing and success at the heart of all that we do and aspire to.

We believe in offering a broad and balanced curriculum in which trips, visits, clubs, charity work and competitions play a vital part. Our ambition is for our students to leave us with the best grades possible to support the next step of their journey, but we will only have fully achieved our vision if they also leave as well rounded, confident and curious young adults who believe in themselves, that anything is possible and go on to achieve great things in their future.

We offer a wide variety of extra-curricular provision. Art, drama, music, sport and debating are all very strong at Sackville and we are very proud of the level of success that has been achieved in these valuable curriculum areas, as well as the opportunities given to provide inclusive and enriching activities for all.

We are a 'Leading Edge' school, with recent awards from the SSAT for our work on Professional Learning, Principled Curriculum Design, Engaging with Evidence and Research and Leadership Through Moral Purpose. The provision of high quality teaching and learning is fundamental to our success and staff really value the collaborative opportunities for professional dialogue and training, both within our own school, across our Federation of schools and through national networks such as the SSAT, Challenge Partners and PiXL.

"Our vision is for a safe and inclusive community that enables every student to reach their full potential and develop a love of learning, by living our values every day".

Our fundamental belief is that every student has potential, gifts, and talents. It is our job, no matter what role we have in school, to provide the opportunities, challenge, guidance, and support that enables them to truly flourish. We have high expectations of our students who we expect to work hard, live our values and fully engage in school life every day.

- Are you an inspirational teacher and/or leader with the ability to inspire young people and colleagues alike?
- Do you share our philosophy of high aspiration and expectations for all students?
- Are you someone who believes that by fostering positive and collaborative relationships between students, families and school, there are no barriers to learning that cannot be overcome?

If so, then we would love to hear from you.

If you think this could be the role for you, we encourage you to come and visit to see for yourself or arrange to have an informal conversation with us. Visits can be arranged by contacting [kdawson@sackvilleschool.org.uk](mailto:kdawson@sackvilleschool.org.uk) or telephoning 01342 414900. An application pack is available from our school website at [www.sackvilleschool.org.uk](http://www.sackvilleschool.org.uk).

Yours faithfully

# Art Department

A school art department is a world of its own. At Sackville, we aim to nurture artistic skills in our students from the moment they arrive in year 7. Many of our students join our thriving Key Stage 3 Art Club, where they enrich their understanding of 2D and 3D art. As they move through year 8 and 9, they are given a wide range of activities in class, including printmaking, ceramics, painting and drawing.

Our popular GCSEs in Art, and recently the addition of Photography aim to stretch our students' skills and ideas even further. Students achieve their above average results through themes such as Sea Life and Portraiture. We aim to encourage individual creativity, whilst refining their practical skills.

We have well subscribed A level groups in Photography, Textiles and Fine Art. Students devise innovative creative projects which do justice to their ideas. They produce work of great personality and strength of character as a result of intensive one to one tutoring.

***"It gives me space to create my own work and focus on my own ideas."***

*Year 12 A Level art student*

***"It's an amazing environment where the creative mind flows freely allowing people to create amazing works of art that they can be proud of."***

*Year 10 GCSE art student*

***"I think art lessons are much more peaceful than other lessons, and I am able to work productively without any distractions."***

*Year 11 GCSE art student*

A high point of our calendar is the annual Sackville School summer exhibition. We showcase work from our current cohort and subsequently move this work to the heart of East Grinstead, as part of a festival of the arts. We are always looking for ways to be involved in the local community and have recently designed and made a window display for a local business for Christmas as well as displaying work in the annual Lingfield Art show. We are currently working towards an Artsmark Award for the school and are developing our Art Scholars programme for keen and able art student ambassadors.

We provide three well equipped art studios, as well as kilns, etching presses, screen printing, a heat transfer press and sewing machines. Photoshop and high quality photographic printing is supplied in a designated photography room for our sixth form, alongside a lighting studio and darkroom. We have excellent full time technician support. Many trips run each year to national galleries for all GCSE and A level students.

Our department intent is for students to:

- Acquire an appreciation, enjoyment and love of art
- Develop a positive attitude towards all of the arts
- Demonstrate awareness of art across the curriculum and the wider world
- Develop personal qualities including: perseverance, independent thinking, self-confidence, co-operation and open mindedness

Our hope is for students to be creative risk-takers, leaders, organised and passionate young adults when they leave Sackville School. We look forward to welcoming a like minded individual to our team.
