ABOUT OUR SCHOOL

Sir John Nelthorpe School, named after its founder who founded the first schoolhouse on the site in 1669, is an 11-19 voluntary controlled co-educational school. The modern school was created in 1976 on the amalgamation of the Brigg Boys' Grammar School and The Girls' High School to form one of two local comprehensives. There are also strong links between the school, local industries and the Careers Service.

The School enjoys an enviable reputation in the area and parental choice brings pupils from some distance; out-of-catchment entry forms over 50% of the cohort. The school currently has 830 pupils on roll which includes our Sixth Form. The school has a strong uptake of EBACC subjects and is committed to increasing this further. We offer an ambitious curriculum that is broadening and evolving to include subjects linked to local employment needs. In addition, we offer our pupils a wide and varied range of extra-curricular opportunities, excellent pastoral care and a number of initiatives to support their learning and personal growth beyond the classroom. There are also strong links between local schools, industries, community support groups and the Careers Service.

We celebrated another successful year's GCSE and A level exam results in 2023 and our most recent OFSTED inspection in October 2023 continued to grade us a good school with only a single improvement point listed.

For more detailed information about the School, please view our website where you can also download a copy of our latest prospectus.

ABOUT OUR COMMUNITY

Brigg and the Surrounding Area

Brigg is a small, pleasant market town with a population of approximately 6,000 which serves the rural community of North Lincolnshire to the east of Scunthorpe. Situated just three miles from the M180, there are excellent road links to both the M18 and M62 as well as to the nearby Humber Bridge. The town is also well served by rail and by Humberside Airport which lies 8 miles away. Facilities in the town itself are good and there are many local shops and amenities, including a Leisure Centre, Sports Hall and public playing fields. There is a wide variety of clubs and activities on offer, including local football and cricket teams, drama and operatic societies and a rowing club. Brigg hosts an annual Music and Drama Festival which is growing in popularity, and an annual Beer Festival.

Recent redevelopment has restored the historic character of Brigg, bringing back the small market town features once lost to decay and heavy traffic. This has been achieved by building a bypass and through the pedestrianisation of its shopping areas which have all been extensively refurbished.

Associations, Links and the Local Community

Sir John Nelthorpe School is a voluntary controlled school. The Foundation Governors manage the assets left in trust for the benefit of the pupils of the school and income is distributed according to the scheme as approved by the charity commissioners. The Foundation Governors allocate a substantial sum for the pupils' benefit on an annual basis.

The Briggensian's Association keeps former pupils in touch with the school and with one another through its Newsletter and the Internet. They hold a formal dinner once a year but also other events including both summer and winter sports events.
