TEACHER OF ART & TECHNOLOGY

1.0FTE from January 2027 (Maternity Cover) - Main Pay Range

We are seeking to appoint a creative and passionate Teacher of Art (1.0FTE, however, we welcome applications from candidates seeking part-time working hours) to join our Technology & Art Faculty at Sir John Nelthorpe School from January 2027. This exciting opportunity will involve teaching Art and Food Technology at Key Stage 3 and Key Stage 4. Additionally, there is a requirement to teach Art at Key Stage 5.

Sir John Nelthorpe School is a vibrant and thriving secondary school that caters to pupils aged 11-19, with a sixth form. We are committed to providing a rich and engaging learning environment where creativity, academic achievement, and personal development are at the forefront of everything we do. The successful candidate will be joining a supportive and dynamic faculty, working alongside dedicated colleagues who share a commitment to high standards of teaching and learning.

Key Responsibilities:

- Teach Art at Key Stage 3, 4 and 5.
- Teach Food Technology at Key Stage 3 and Key Stage 4.
- Develop and deliver engaging and inspiring lessons that challenge and support pupils.
- Support the wider creative ethos of the school and contribute to extracurricular activities.

We are looking for someone who:

- Has a passion for Art and is committed to teaching and nurturing pupils' creativity.
- Has the flexibility and enthusiasm to teach across a range of subjects within the Technology & Art Faculty.
- Is able to motivate and inspire pupils, encouraging their academic and personal growth.
- Is committed to working collaboratively with colleagues to provide the best possible learning experience for all pupils.
- Holds a relevant teaching qualification and is eager to develop professionally.

Why Join Us:

- The opportunity to work in a dynamic and supportive environment.
- Potential to teach across a range of creative subjects and at different key stages, including Key Stage 5.
- A chance to contribute to an exciting curriculum and extracurricular program.
- A welcoming and engaging school community focused on pupil development.

Application Process:

Please note, we do not accept CVs. To apply, please complete the North Lincolnshire Council application form, which can be found on our website or by contacting the school directly. If you would like to visit our wonderful school before the closing date please email or call 01652 656551 at your earliest convenience to arrange. The closing date for applications is **9:00am on Monday 5th October 2026**.

We look forward to receiving your application and exploring the possibility of welcoming you to our vibrant school community.

Sir John Nelthorpe School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful candidate will be subject to an enhanced DBS check and supportive references.

TECHNOLOGY & ART

Structure of the Faculty

The Technology & Art Faculty is led by a Head of Faculty and supported by an Assistant Head of Faculty. There are three full-time teachers and two part-time teachers within the faculty and the faculty is supported by two part-time technicians. There is also an assigned Senior Leadership Team line manager.

The Technology & Art Faculty continues to grow and develop, offering pupils a diverse, dynamic, and forward thinking curriculum. Each member of the team is given an opportunity to contribute to our pupils' experiences of the subjects taught within the faculty, building on the expertise within the team. In addition, faculty-wide systems and a collaborative ethos, including a collaborative approach to planning and resourcing lessons, mean that the Technology & Art Faculty is one in which teachers can thrive and develop. All staff within the faculty currently teach across multiple subjects within the faculty.

Curriculum

Key Stage 3 (1 x 60 minute lesson each per week)

- Art
- Design & Technology

Key Stage 4 (lessons over a two week timetable)

- AQA GCSE Art (Fine Art)
- AQA GCSE Art (Photography)
- AQA GCSE Art (3D Design)
- AQA GCSE Food & Nutrition

Key Stage 5 (4 x 60 minute lessons per week)

- AQA A-Level Art & Design

Our curriculum is based around a three-year KS3 and a two-year KS4 model. Teaching groups are taught in mixed ability. Through a carefully planned curriculum, with guidance and support, we hope that every pupil can find enjoyment through their learning of creative subjects in such a way that it prepares them to express their individuality and originality using a variety of practical mediums.

The faculty places high value on pupils' engagement within design work, promoting their creativity to produce outcomes of an outstanding nature; there are opportunities to develop the extra-curricular activities offered by the faculty, which currently include entries to various local art competitions, STEM, Art & Food clubs plus a variety of house competitions within school. We work as a faculty to plan courses and to develop resources for use in delivering the curriculum. Much of our success as a team stems from the corporate approach that we take to all aspects of teaching and learning and the willingness for all members of the team to work together to achieve our common goal of being 'outstanding'. You will join the faculty at an exciting time. We currently have at our disposal a mixed-material workshop space, two design classrooms (one is equipped with a full suite of PCs), one food & nutrition kitchen and two art rooms (inc. a full suite of laptops). It is the intention to be able to relocate the faculty into brand-new state of the art facilities.
