THE ART & TEXTILES DEPARTMENT

Samuel Whitbread Academy is a large, rural upper school with approximately 1,700 students including a Sixth Form approaching 450 students. The school is situated on the outskirts of the village of Shefford, in Bedfordshire, and has all the variety and energy of a fully comprehensive secondary school. In October 2017 the Academy was inspected and judged as Good, with Outstanding features by Ofsted. We are committed in continuing our journey to reach Outstanding and are constantly striving to develop our practice and raise levels of achievement.

The size of the Academy and membership of the Trust mean that opportunities available to staff are incredibly varied and wide-ranging. We have a growing reputation for developing an exciting and innovative culture of research within the Academy. We are also a member of SUPER, a research based school improvement network of similarly minded schools, led by Cambridge University, and offer both a Masters and PhD programme through the University. The Trust also includes a Training School and has an Outstanding Nursery (Ofsted 2012) onsite which is available to staff.

The Art and Textiles department is run by the Head of Department with two further subject specific full-time Teachers. To support the Department there is one full-time and one part-time technician. The Department is dedicated to helping students achieve their best and has a great team spirit of support, good humour, passion for our subject and professionalism. The work produced by the students shows individuality, a desire to grow as artists and we create an environment that enables students to springboard into the next stage of further education without prescription.

Art and Textiles is taught at KS3, KS4 as well as KS5 and has run successfully with students consistently achieve above national average results. Fine Art, Graphic Communications, Textiles, Printing and Ceramics are strong elements of the courses taught and all Teachers deliver these disciplines in lessons.

Staff work in dedicated art rooms and whilst every Teacher has their own classroom, Ceramics, Textiles and Printing are taught in specialist rooms. There is also an independent Sixth Form study room for Art students as independent working is encouraged between lessons.
