## **ART DEPARTMENT**

The Art Department is part a vibrant Expressive Arts Faculty which also incorporates Drama and Music. The staff in the Art Department consist of a Head of Art, who is also the Head of the Expressive Arts Faculty, and four other Art teachers. Art, Drama and Music staff share a Faculty workroom and are very supportive of each other's work and events. We have an Expressive Arts technician who works 4 days a week to support the Faculty.

The Art Department consists of a suite of 5 purpose built rooms: 4 general-purpose art rooms and a 3D clay room. All of the rooms are light and spacious each with a generously sized store room. We have data projectors in each general purpose room and there is one room with an interactive whiteboard. We have 2 good quality printers and access to Reprographics for high quality and larger scale printing. Each room has 5 or more computers. We have 20 graphics tablets and a trolley of 15 widescreen wireless laptops installed with Adobe Creative Suite to enable the development of ICT work with whole groups.

The standard of work in Art is exceptional at all Key Stages. Drawing from direct observation is a key element in all our courses and it is important that our Art staff have a high level of technical drawing skill in order to challenge and extend our students. Art is a very popular subject at GCSE and A-Level with a large increase in student numbers at A-Level over the last few years. Our students achieve outstanding results compared to a National level at KS4 and KS5. Their work is used regularly by the exam board at both levels as exemplar work.

We follow the OCR syllabus at both levels. We offer a Fine Art course at GCSE level. At A-Level we offer Fine Art and Photography. Projects at GCSE and A-Level are geared to individual students and encourage students to work independently and develop a personal style. Work from direct observation and the development of analytical drawing skills is a key element. Year 11 GCSE students and A-Level students mount exhibitions of their work at the end of their courses to which parents, Governors and staff are invited.

In Key Stage 3 students have 1 lesson of Art each week in Year 7, Year 8 and Y9 and have the opportunity to experience a wide range of 2D and 3D work. Again significant emphasis is placed on developing observational drawing skills. We have invested in resources to provide students with exciting stimuli including cultural artefacts, fabrics, insects and other still life objects. We are continually building our range of artist images and books. Recent schemes of work have included large scale 2D and 3D work based on Aboriginal Art, African clay masks, printmaking from natural forms, clay cakes, an identity mixed media portrait project and a graphics based illustration project. Digital image manipulation skills are developed where possible throughout the key stage using Adobe Photoshop.

Extra-curricular activities form an important part of our work and the Art department is always busy at lunchtime and afterschool with students from all year groups wishing to extend their skills. We collaborate with Drama and Music in the annual Christmas production creating props and scenery. We celebrate all students' work where possible through display.

The Expressive Arts Faculty and Art Department create an exciting and enriching environment which students appreciate and respect. We make a significant contribution to the life of the whole school.

Tupton Hall School is a large 11-18 comprehensive school with 1650 students on roll. It is ideally placed, benefitting from expansive grounds in the village of Tupton. Being just south of Chesterfield provides easy access to major motorway routes, the cities of Derby, Sheffield and Manchester and the idyllic Peak District and Sherwood Forest. Students and staff benefit from a modern and superbly equipped building maintained through a PFI contract. The school's legacy of specialist status in Sport and ICT has ensured that learning environments are ICT equipped and sporting facilities are unrivalled county wide.

This is an exciting time to join the school. We are delighted to have just been judged by Ofsted as a 'Good' school in December 2022. We now plan to consolidate this judgement and plan, in partnership with the Redhill Academy Trust, steps to deliver outstanding provision for our students and staff into the future.

Tupton Hall has a large catchment area, which includes the parishes of Clay Cross, Grassmoor, North Wingfield, Pilsley, Tupton, Wingerworth, Stretton and Ashover. The intake can be described as truly "comprehensive" in both background and ability. The school enjoys a strong reputation in the area, and although there are ten primary schools designated within our cluster, in recent years the school has welcomed students into Year 7 from over 15 primary schools.

The school expects students to work hard, get involved in school life, behave well, and demonstrate a sense of care for others. Students are mainly taught in all ability groups in Year 7 and 8 although there is some setting in Art and Mathematics. Wider approaches to ability grouping becomes more common in Years 9 -11. Students who make slower than expected progress are given support in the classroom with some students being withdrawn from lessons to receive further support and help.

Students are organised at pastoral times vertically, where students are placed into small 'all years' tutor groups. The school House system has been revitalised and now involves inter-house competitions across all areas of the curriculum. A Personal and Social Development Programme is delivered both in lessons and in 'Challenge time' to support the holistic development of every student at the school. There is an excellent variety of enrichment activities on offer for all students, including sporting activities, music, drama, off site visits, foreign tours, as well as many clubs.

Currently the school's academic faculty areas are Art, Mathematics, Science, Modern Foreign Languages, Humanities, Expressive Arts, Technology, Physical Education and Social Sciences. Each area has a Faculty Leader who is responsible for the leadership and management of that area.

Students join our very successful Sixth Form from Tupton Hall and other nearby 11-16 schools. We offer an extensive range of traditional and contemporary 'A' Level courses together with leadership development programmes such as the HSLA and CSLA qualifications. Many students progress to university with others accessing higher level apprenticeships or work place opportunities.

The best way to experience the tangible 'buzz' at our school is to visit. Please do not hesitate to contact us.
