## Teacher of Boys' PE (Full Time)

We are seeking to appoint an enthusiastic and committed teacher of Physical Education who has a high expectation of students and themselves and who will motivate and inspire pupils to achieve their best. The successful candidate should have the ability to teach a range of activities from KS3 to KS4. This is a permanent full-time position commencing September 2022.

The Latymer School is a high achieving, but caring Grammar School in North London. Visitors comment on the warm atmosphere and the high levels of participation in extra-curricular activities. Pupils at the school recently described the school as one "family" and it being a "real community". We are very proud of our school and believe it is a place where you can really teach and develop your subject knowledge.

The PE Department is well organised and resourced and provides a supportive working atmosphere for staff. PE is part of the core curriculum at KS3 and 4 and is also a popular choice at examination level for GCSE. In 2019, 66% of GCSE PE students achieved 7-9 grades. The successful candidate would have the opportunity to teach GCSE PE. In addition, a large proportion of students take part in a growing range of extra-curricular activities, including International Sports Tours. Football is extremely strong, and the successful applicant will be expected to play a key role in its continued development. Rugby and Basketball are growing, and we would love to hear from applicants who believe they could make a significant contribution to the continued development of these sports, along with a summer sport of either Athletics or Cricket.

Outdoor Education plays a large part in the Latymer extended curriculum. We have a field centre in Wales where all students in Years 7 take part in a range of outdoor adventure activities and in Year 9 students go to a residential centre in Conwy Anglesey. Many pupils take part in the Duke of Edinburgh Scheme.

If you would like to work in a friendly environment, then we would like to hear from you. Please complete a Teaching Staff Application Form, which can be found on the school website: [Staff Vacancies | The Latymer School](#) which should be emailed to [recruitment@latymer.co.uk](mailto:recruitment@latymer.co.uk) before the closing date.

Closing date for application: **10am on Monday 13<sup>th</sup> June 2022**

***Applications will be considered upon receipt and the vacancy closed if an appointment is made before the closing date.***

***The Latymer School is committed to safeguarding and promoting the welfare of young people. We expect all staff to share this commitment. Any offer of employment is subject to a satisfactory 'Enhanced with a Barred List Check' through the Disclosure and Barring Service.***
