About St Bede's

At St Bede's we are proud to serve roughly 1900 boys and girls of all abilities, age 11-18, from the Reigate, Redhill, Caterham, Horley and surrounding areas. This includes over 300 studying academic courses in the sixth form. The school has an Anglican, Catholic and Free Church foundation and we work hard to create an inclusive ethos. Our aim is to ensure that pupils thrive academically, socially and spiritually within a Christian framework.

In March 2023 Ofsted carried out an inspection of St Bede's and judged the school outstanding. The report acknowledged that pupils behave exceptionally well and they are happy and safe. They are unfailingly respectful to each other, to staff and to visitors and their positive attitudes mean that lessons are rarely disrupted. The inspection highlighted that leaders in subjects across the school have created an ambitious curriculum. Teachers have a very high level of subject knowledge and expertise which they use to provide pupils with explanations that are rich in details, bringing the subject to life.

Attainment and progress scores at GCSE and A level are consistently above national averages. We are particularly proud of the English and maths results achieved at GCSE. Both departments achieved fantastic results at 4 and 7 grades.

Measure	2023	2024

Our school is committed to the safeguarding of children so all appointments are subject to a satisfactory enhanced DBS check. Only applications made on our School Application Form will be considered; we do not accept CVs or unsolicited testimonials. It is our policy always to request references prior to interview.

Please see our staff prospectus for further information about working at St Bede's.

"Pupils enjoy their time in class and describe their lessons as 'inspirational'. The content of these inspirational lessons reflects the high expectations that staff have for what pupils can accomplish."

Business and Economics department at St Bede's

We are seeking a teacher of business to join us from September 2025, on either a part-time or full-time basis; applicants should indicate their preferred FTE on their application form.

Please note, applications will be reviewed upon receipt and as such, this vacancy may close prior to the advertised deadline. Early applications are encouraged.

The business and economics department offers the following courses at Key Stage 4 (KS4) and Key Stage 5 (KS5):

- GCSE Business (AQA)
- A Level Economics (AQA)
- A Level Business (AQA)
- Cambridge Technical Extended Certificate in Business (OCR)

The department is a popular choice for students at both KS4 and KS5, with numbers increasing in all courses. At A Level, we run two classes in years 12 and 13 for both economics and business. We currently run seven GCSE classes in both year 10 and year 11. CTEC Business is also now well established with classes in both years 12 and 13.

The department has grown significantly over recent years and currently has six teaching staff. As a department, we pride ourselves on our results, subject knowledge, extracurricular activities and additional support we provide to all students.

Results

Business and economics A Level results have been strong over recent years with business grades and economics grades at A*-B and above regularly surpassing national trends. Additionally, many students go on to study those subjects at university. The GCSE results are consistently strong, with 80% achieving grade 4+ in 2024. The department adds significant value to pupils compared to national results.

Extra curricular

The department provides numerous opportunities for students to stretch their understanding of the subjects away from lessons. These include outside speakers from economic think tanks; lecture visits to the Polecon conference, and an annual trip to Brussels.

Support for pupils

We pride ourselves on the level of support and care we provide to the students within the department. This support covers a range of areas including exam technique and specific gaps in subject knowledge. We feel this support makes a significant difference to students' chances of success.

Job profile
