KING JAMES'S SCHOOL VALUES

A SCHOOL FOR OUR COMMUNITY

Floreat Schola – May the School Flourish

Our Culture - ACE

Recent times have provided significant challenges for students. The fallout from the pandemic stretches far beyond lost learning. The very fabric of what students are used to, and their confidence in the structures on which they routinely depend, has been severely shaken, leading to significant impact on emotional wellbeing. In order to address these emotional and learning deficits, we have devised our **ACE strategy**.

Ambition

By providing high-quality experience/opportunity for all, we aim to create an environment in which all students are encouraged to “think big” in order to raise the level of ambition and establish a schoolwide sense of “why not me?”

Character

Also, in setting clear standards/routines/behaviour norms expected of all students (and staff) around school during lessons/social times, we aim to make explicit “how we do things around here” in order to raise standards in a fair and supportive way.

This vision will be achieved through the delivery of our *Ambition and Character curriculums*.

Ambition – provide high-quality experience/opportunity for all:

1. Create an environment in which all students are encouraged to **'think big'**, establishing a schoolwide sense of **'why not me'**
2. Expose students to **new experiences** in a variety of contexts
3. Provide students with opportunities which will enable them to become **future leaders**
4. Encourage reflection upon options for **life after King James's** and setting themselves aspirational goals which match their potential

Character – establish clear standards/routines/behaviour norms expected of all (staff and students) around school during lessons/social times:

1. Reflect our core values and ethos, so all stakeholders are clear as to **'how we do things around here.'**
2. Outline the offer we provide to each of our key stakeholders in order to deliver our expectations, routines and the **King James's Way**.
3. Set out the standards, routines, behaviour and character **'norms' we expect of all** our staff and students inside and outside of the classroom.
4. **Set out the standards and routines we expect** from the school community during social times i.e. break and lunches.

King James's School – A Great Place to Work

What You Can Expect from KJS

Our Team

Our staff really make our school a special place to work and learn. We value the contribution of each and every individual in school who help us to provide our students with a safe and stimulating learning environment.

We currently have approximately 115 members of staff. We also regularly have student teachers in school, all of these people play an important role in our success.

We are split into 7 faculties; Art, Design and Business, English, Humanities, Maths, Modern Foreign Languages, Performance and Science. We work hard to share best practice within our teams and to provide opportunities for staff to grow and develop whatever their role or career aspirations.

Our Curriculum and Pastoral System

We have a three-year KS3 which provides a broad and balanced curriculum for all our students. All students take courses in English, Mathematics, Science, Design Technology (including Food and Textile Technology), Art, French, History, Geography, Religious Education, Music, Drama, Physical Education, Integrated Studies (personal, social and citizenship education) and Computing.

Students at KS4 will typically be entered for up to 10 GCSEs depending on their 'pathway'.

All students follow GCSE courses in English Language, English Literature, Mathematics and Science. The Science course is worth 2 GCSEs. These subjects are taught in sets.

Students who have demonstrated flair and aptitude in Science also have the opportunity to take Science as an option, allowing them to gain individual GCSE qualifications in Physics, Chemistry and Biology.

Students choose further subjects from a range of other GCSE or vocational courses. Some students may require a more personalised learning and may follow fewer subjects dependant on their personalised needs. The full set of courses currently offered this academic year at KS4 are:

- Art (Fine Art, Textiles, Photography, Graphics)
- Computer Science
- *Enterprise and Marketing*
- Food Nutrition
- Geography
- History
- *Health and Social Care*
- *iMedia*
- Modern Foreign Languages
- Music
- PE
- *Performing Arts (Drama)*
- Science
- Sociology

In addition to the above examination courses, all students follow non-examinable courses in Physical Education, Personal and Social Education, Careers and Religious Education.

As a school we offer a wide variety of extra-curricular activities and some of these are designed to support our students in their studies.

At King James's School we provide a strong network of pastoral care with the core purpose of ensuring that students feel happy, safe and able to achieve. The fostering of respectful relationships between students, their peers and staff allows everyone to feel a sense of pride in their school community and how it develops.

Student support begins with the form tutors who provide the all-important daily

contact with the students. They monitor attendance, punctuality and behaviour and generally ensure students are happy and progressing. They are the first point of contact for parents.

Job Advert

Floreat Schola – May the School Flourish

We are seeking to appoint an inspirational and innovative Teacher of Business and Computing to join our Creative Faculty. The successful candidate will be a skilled practitioner who is able to inspire and enthuse students through dynamic and creative teaching. The ability to teach other subjects within the Creative Faculty would be an advantage. This is an excellent opportunity for a dedicated colleague to join our team.

King James's School is justifiably proud to be one of the highest attaining 11-16 comprehensive school in Kirklees and is regularly, heavily, oversubscribed. The school serves a suburban area and several villages to the south and east of Huddersfield. We became an Academy in September 2012. The school was awarded 'Good' in all areas by Ofsted in November 2019 and, at its most recent inspection in February 2025, Ofsted judged that "King James's School has taken effective action to maintain the standards identified at the previous inspection".

'The King James's Way' sets out the values and commitments which lie at the centre of everything we do. Though we are proud of our academic success, we are equally proud of our inclusive approach and first class, wraparound pastoral care.

At King James's School we are proud of our inclusive and supportive working environment. As an organisation that values and nurtures talent, we are committed to helping you fulfil your potential. With a comprehensive training and development programme, tailored to your needs and the requirements of the school, we will enable you to flourish in your role and perform to the very best of your abilities.

We are committed to safeguarding and promoting the welfare and safety of children and young people and expect all staff to share this commitment. We ask all applicants to provide us with two references, which will be obtained prior to any interview. We will also carry out online searches for all candidates who are shortlisted for interview as part of our due diligence. Any successful candidate will be required to undertake an enhanced Disclosure and Barring Service (DBS) check.
