Department Overview

BUSINESS AND ECONOMICS

This department is currently staffed by five subject specialists, who work hard as a team to ensure pupil outcomes are excellent. They also promote the qualities of responsibility, resilience and readiness to learn through the curriculum and high expectations of pupil behaviour.

At Key Stage 3, the department contributes Business and Enterprise to a whole school Year 9 carousel, that allows pupils to make more informed choices at Key Stage 4. This is structured in a Dragon's Den / Apprentice style and clearly impacts on the year on year growing number of pupils opting for Business at Key Stage 4. In years 10 and 11 pupils are taught GCSE Business (Edexcel) and BTEC Tech Award in Enterprise (pupils start this in Year 9). In the Sixth Form Business and Economics at A level and BTEC Level 3 Certificate and Diploma are offered. Additionally, the LIBF Certificate in Financial Education (CEFE) is offered as a one-year express course.

Members of the department are encouraged to contribute to all aspects of the business and economics curriculum through collaboration. The department is housed in a dedicated area in the Pavilion building. It is well resourced with 4 dedicated classrooms with ICT facilities.

The department has forged strong links with external organisations such as John Lewis, Barclays Bank and St Gemma's Hospice. Pupils at Roundhay are very interested in this whole area. The new opportunities afforded by the changing curriculum nationally means we believe the potential for innovation and expansion is significant at both Key Stage 4 and Post 16. We aspire to our department vision on a daily basis…*'preparing young people for life in the real world by recognising the impact of business, the economy and finance on their daily lives'*

School Overview

Our Mission Statement
Roundhay School is all about its pupils and we will do 'WHATEVER IT TAKES' to ensure that each one reaches their full potential. We will never put limits on what our pupils can achieve, regardless of background or circumstance. Our focus on developing character, instilling confidence and a love of learning whilst teaching the importance of kindness, manners and respect. We want all our pupils to make a positive contributionn to school life and society, continuing to learn and develop for the rest of their lives.

Always responsible. Always resilient. Always ready to learn. Always Roundhay.

Our Pupils
The school population reflects the cosmopolitan nature of modern Leeds. The pupils come from a very wide variety of socio-economic and ethnic backgrounds; more than 27 languages are represented, with around 60% of our pupils drawn from the black and ethnic minorities. This gives the school great strength in its many endeavours and relationships.

'The atmosphere in lessons is very positive and supportive' ... 'Learning moves at a lively pace'. Ofsted

We currently have around 2500 pupils in this 4-18 co-educational community comprehensive school, making it one of the largest within Leeds. Our specialist Dyslexic Base, catering for 16 pupils, our SEN provision and our 500+ strong and very successful Sixth Form (one of the biggest in the region) are just some of our many strengths.

'Behaviour in lessons is exemplary' ... 'Movement around the school is extremely orderly and students show consideration and respect for each other'. Ofsted

In September 2012 we became one of the first 'all-through' schools in the region, growing with a new intake every year. Our first primary cohorts joined up with the secondary aged pupils in September 2019. We have a separate £4.8 million purpose built Primary Campus located just a mile away from the Secondary Campus.

We are proud of examination success at all key stages. At A-Level over 30 subjects are taught and with excellent achievement we find that the majority of our students are able to progress to higher education including students going to Oxford and Cambridge Universities.

We have the highest expectations of every pupil and strive to achieve high standards in all that we do, both academically and socially.

'The atmosphere in lessons is very positive and supportive. As one student said, "It is cool to want to learn at Roundhay". Students are comfortable admitting that they do not understand a particular point and others often try to help by offering alternative explanations. Students are keen to volunteer ideas and participate.' Ofsted

'Students, from a very wide range of backgrounds, work and socialise together extremely well.' Ofsted

Our Staff

We are fortunate to have highly-committed, professional and friendly staff, who have worked hard and successfully to establish a thriving learning community. Many staff have sent, or currently send, their own children to Roundhay, which is a real vote of confidence.

'Student and staff relationships are extremely good. Students' personal development is exceptional and behaviour is exemplary.' Ofsted

'Teachers have an infectious enthusiasm for their subject which is communicated to the students' ... 'Professional development is a strength of the school' ... 'The quality of teaching is outstanding'. Ofsted

We also have other pupils who come from families with parents professionally involved in education, which helps to keep us on our toes! We take seriously the professional development of all our staff. As a school, we are heavily involved in Initial Teacher Training and are a strategic partner within a Teaching School Alliance (Red Kite) which involves sharing outstanding practice across four local authorities. School improvement and self-review are central to our drive to raise standards. We have around 270 staff, both associate and teaching, who work very hard as a team to ensure they support both the pupils and each other.

Our Area

The school's two campuses are situated in north-east Leeds, adjacent to Roundhay Park, and are surrounded by highly sought-after owner-occupied houses. The settings can only be described as impressive. The schools grounds are magnificent; the campuses cover over 30 acres of parkland combined. We also serve some of the most economically and socially-deprived areas of the city, as well as more favoured wards, giving us the rich mix of pupils that makes us a 'true comprehensive'. Currently, around 22% of our pupils are classified as being Pupil Premium children with 15% currently entitled to free school meals.

'Students who attract Pupil Premium funding are monitored very closely' ... 'making exceptional progress and closing any attainment gap with their peers at a very fast rate'. Ofsted

'Primary provision is outstanding. Pupils make extremely rapid progress, teaching is outstanding, resources are first-rate and leadership is exceptional.' Ofsted

Our Facilities

We have very good facilities, and since our Secondary Campus was rebuilt in 2004 we have invested heavily both in ICT and in improving facilities, such as creating Applemac Media rooms, music practise rooms and improved recital areas to enhance the learning and teaching experience of pupils and staff alike. The primary building, which is located on a separate campus, is truly wonderful and has excellent resources.

We have a £11 million 'Pavilion' building which was completed in 2017, along with artificial pitches, additional car parking spaces and a dining room extension.

Our School Organisation

Our separate Primary Campus introduces two forms each year and will houses upwards of 480 children. The Primary school day starts at 8.50am and ends at 3.10pm.
In Years 7, 8 and 9, pupils are grouped for registration and for Personal, Social, Health and Citizenship Education (PSHCE), in mixed-ability form groups that remain together until the end of Year 11. For teaching purposes, pupils are placed in a variety of groupings as appropriate, including setting and some mixed-ability grouping. Each lesson at the Secondary Campus is one hour in length, five per day. The secondary school day commences at 8.25am and finishes at 3.00pm, followed by extra-curricular activities.

In Years 10 and 11, currently pupils may choose two options to study, normally alongside the compulsory core subjects of Mathematics, English, Science, Foreign Language, RE, PSHCE and Games/PE, a number of which at GCSE level may be started in Year 9. We are, like most schools, undertaking a curriculum review. In Year 12, students choose an individual programme of study leading to BTEC and/or GCE 'A/S' levels.

Our Pastoral Organisation and Leadership
The Primary Campus is led by the Primary Leader who is a member of the Leadership Group. At the Secondary Campus Years 7, 8, 9, 10 and 11 are led by Heads of Year, assisted by teams of tutors and overseen by member of the Leadership Team. Our Assistant Headteacher: Director of Sixth Form and her team are supported by Academic Mentors. There is a strong tradition of support for both pupils and colleagues. Our learning mentors, behaviour support workers and social inclusion achievement teams have had a powerful effect on the positive implementation of our social inclusion strategies.

'The senior leadership team is very strong and effective'. Ofsted

'The headteacher has the unanimous support of staff in the mission to create an inclusive school where every student is enabled to 'be the best they can be'. He is very accessible to both students and staff.' Ofsted

Our Extra-Curricular Activities
We have a thriving and exceptional programme of music, drama, sports teams, outdoor pursuits, residentials, art events, project days and charity events! Everyone contributes, as we feel that it is a vital part of our role in developing the potential of all our pupils and building a cohesive community.

Our Community Links
The school has excellent links with the communities it serves and actively seeks to widen these. We believe that this vital 'citizenship work' demonstrates our ethos as a school, where courtesy, co-operation and commitment are more than just words! We deliver a comprehensive programme of family and community learning as part of our Extended Services commitment.

'High ability students out-perform similar students nationally. Students of all abilities make very good progress in lessons.' Ofsted
