## THE SCHOOL

# Everyone matters and every dream counts

We are proud of the high-quality education we offer at Ryburn Valley High School. We are a school of character, ensuring our students have opportunities to shine. We want them to be the best that they can be, taking risks and continually striving to develop and improve as young professionals. As Ofsted stated following our last inspection: "Pupils know the ethos of the school is based on 'everyone matters and every dream counts.' Leaders have fostered the values of kindness, honesty, respect and endeavour, which is brought to life by the everyday interactions of pupils and staff."

Ryburn is a school which has exceptionally high standards. Ryburn students work hard, get involved with the school community and "strive to excel". We want our students to leave school with bundles of new skills and knowledge, and of course great exam results. However, we also want them to develop and grow as young people, to leave our school with the attitudes and confidence to go out into the world and make a positive impact.

We live by the values of Kindness, Honesty, Respect and Endeavour. These values are on show in our lessons, in all our conversations and in the way both staff and students work as a team: Team Ryburn.

Ryburn Valley High School is a fantastic place to work and learn and we are always aiming to develop even further. The quality of every interaction we have with students and staff establishes a culture where everyone can 'strive to excel' and achieve great things.

We are looking for an extraordinary individual to join our school and really make a difference in the lives of our young people.

### **Donna Watkins, HEAD OF SCHOOL**
