Department Information

We are looking to appoint an outstanding Teacher of Business Studies for a suitably qualified candidate.

The successful candidate will teach Business to GCSE and potentially Business and/or Economics to A-level.

The Business and Economics department has three full time experienced specialist teachers. The teachers are passionate about Business and Economics and believe that learning should be engaging and fun. Our lessons are challenging and varied, with high standards of teaching and learning, and we support each other, sharing ideas and resources.

The department has four well-equipped modern classrooms and a modern staff office. We make good use of practical work and the school's excellent ICT resources to support imaginative and innovative teaching.

Our Business and Economics department is one of the most popular and successful in the school, with high demand at both GCSE and A level. Public exam results continue to improve, reflecting the hard work and commitment of our dedicated team. Business is offered as an option at GCSE, and both Business and Economics are available at A level.

The number of students choosing to study these subjects is strong, and our students also benefit from a range of extracurricular activities, including trips to London and New York.

Recent results include 84.6% of GCSE Business students achieving grades 9-7, with 66.4% attaining grades 9-8. At A level, 71% of Business students achieved grades A*-B and 93.5% achieved A*-C. In Economics, 72.4% of students achieved A*-B and 89.7% achieved A*-C.

The department is committed to developing its curriculum and expanding students' experiences, making both a passion for the subjects and an interest in leading extracurricular activities highly desirable traits in prospective colleagues.

Consideration will be given to both experienced teachers and ECT's who wish to develop their teaching expertise in an outstanding school.

For the Business and Economics department at Heckmondwike, commitment, a positive attitude, ideas, potential and enthusiasm are important qualities.
