We ensure that those pupils who have special educational needs are provided with appropriate support, so that they too may reach their potential.

Individual strengths within our pupils are encouraged and celebrated. We encourage them to explore a wide variety of interests within and beyond the school curriculum. Our aim is to develop thoughtful, kind and considerate adults, who will not only contribute to the school, but also to the wider community. Pupils' personal development and happiness are very important to us and our extensive programme of extra-curricular activities, including excellent Music, Drama and Sports provision, supports this process. We expect high standards of behaviour and seek to build strong relationships between staff and pupils. Considerate and responsible attitudes and behaviour are fostered through a strong Life Skills programme.

We are a small MAT situated in the idyllic Northamptonshire countryside. We are presently comprised of one academy: Guilsborough (11-19) Academy. The aim of GMAT

Our aim is to pursue and promote sustainable excellence in the provision of 11-19 education for the benefit of our pupils, staff, parents/carers and the wider community.

The GMAT Strategy

We play an active role in the wider community of educators. We value productive relationships and partnerships that help us to maintain and further develop our expertise, and we also seek opportunities to share our own best practice with others.
