Welcome from the Principal

Thank you for your interest in this post. Choosing the right school in which to work is a very important decision, and the aim of this application pack is to provide you with sufficient information to support your consideration of whether you would be happy and motivated working with us over the coming years, to shape the future of our school and inspire our students to make academic progress that is within the top 20% of all schools nationally.

Chipping Campden School is indeed a very special place – unlike any other. What makes our school so special is its culture and ethos; something that has been grown since the school's formation in c.1440, enabling students to feel empowered in their learning and inspired to excel. The school has a very special place in my heart, having served at the school between 2003 and 2011 as a Teacher of mathematics, Head of Year and latterly Assistant Headteacher. Without doubt, having the opportunity to return to the school as Principal in 2023 is the proudest moment of my career. Having taught and led in a variety of other schools across the country, when I drive to Chipping Campden School each day, I know that I am very privileged to be coming to such a special place, with so many amazing people.

When you take a walk around our school, it is impossible not to feel a palpable buzz of excitement. There are so many opportunities for students to flourish, whether that be representing our school on the sports field, performing on stage in our state-of-the-art Performing Arts Centre, leading one of our Student Parliament Ministries or completing the Duke of Edinburgh Gold Award; our offering of co-curricular and extra-curricular activities is enormous.

We are unashamedly ambitious for all our students, enabling them to develop high aspirations and chase goals that perhaps at first, may seem a little daunting. It is only when we relentlessly pursue these high aspirations and settle for nothing less than our very best, do we enable our students to leave our school being able to successfully compete with their global counterparts, in whatever they choose to do at the end of, what for most, will be a seven-year partnership with us. As staff at the school, I believe it is our job to provide the expertise and environment to enable our students to do just that, supporting and challenging along the way.

I am also acutely aware of the current pressures on staff workload and the impact this can have on their wellbeing. I encourage you to take a read through the range of staff benefits that we offer at our school (pages 6-7), including our tangible commitment to supporting staff in achieving an effective work/life balance.

If you decide to apply to support me in leading our school, you will be an exceptional candidate with a thirst for delivering high quality Business Studies in a thriving department with an excellent reputation for strong examination results and committed, supportive staff. The ability to teach Economics, or the desire to learn to do so, would be desirable, but not essential.

The Business Studies Department consists of 4 teachers who teach all students at KS4 and KS5. The subject is a very popular choice at both GCSE and A Level with the number of students choosing it as an option increasing year by year. This is something that the department is very proud of. Students also have the option of choosing the Cambridge National course at KS4 and the Cambridge Technical course at KS5.

The department is also very proud of the results achieved in recent years, as they have been amongst the best in the school. The results for Business at A-Level were ranked on the ALPS system as 3 last year, and on average we have achieved an A*-C rate of 91% over the last 3 examined years. Economics was also ranked Alps 3, and on average we have achieved an A*-C rate of 88.5 over the last 3 examined years. Results at GCSE are also very good, and many of our students then choose to study the subject further at A-Level.

If you would like to explore the vacancy in more detail prior to applying, a confidential conversation can be arranged with me on the telephone/video, or equally you are welcome to come and visit the school to meet me in person and look around. If you would like to arrange either of the above, please contact Charlotte Haynes (PA to the Principal) by email at chaynes@campden.school or telephone (01386 840216) to make an appointment. In addition to this, a wealth of information about our school can be found on our website.

If you would like to apply for the post, please do so by completing both parts of our application form, which can be found on our website, by clicking [here](#). Part 1 of the form (pages 3 and 4) provides a space for you to write about the relevant skills and experience that make you a suitable candidate for this post. This section is restricted to two pages (min. font 11) and should outline how your teaching portfolio to date is suited to the requirements of the person specification.

The deadline for applications is **10:00am on Monday 13th May 2024**.

I look forward to hearing from you.

Staff benefits

Every school is unique and ours is no exception. One of our unique selling points is the relatively high average length of service of our staff, and relatively low rate of staff turnover. Neither of these are by chance and are the product of staff feeling trusted, empowered and recognised for leading the roles they do. We feel that a mark of the outstanding school we are is symbolised by the number of staff who choose to send their children to be educated with us.

Below is a list of just some of the 'pull factors' that contribute to making our school a great place to work:

- An allocation of three, paid staff wellbeing days, where employees are not required to be in school.
- An average of 17.4 students per teacher (full-time equivalent)
- An iPad to use in school and at home, to enable seamless remote working, using cloud-based technology.
- Commitment to staff wellbeing through a variety of internal practices, designed to recruit and retain the very best staff.
- Complimentary use of the school sports facilities, including gymnasium, swimming pool and fitness equipment.

- Comprehensive range of staff social events throughout the year.
- Cycle to Work scheme
- Freshly prepared and cooked food available on site
- Generous allocation of directed time - for the 2023/24 year, all teaching staff have at least 14% of the timetabled week allocated as non-contact periods; more for TLR postholders.
- Health and wellbeing support including access to an Employee Assistance Programme (including partners and dependents), confidential counselling services and support from our Staff Wellbeing Group, who meet regularly to ensure that our staff wellbeing is prioritised.

- Outstanding, tailored CPD
- Pension Scheme membership (Teachers Pensions or Local Government Pensions Scheme)
- Support in completing relevant external leadership development programmes.
- The school is located within the beautiful Cotswold town of Chipping Campden, with friendly businesses, including a wide range of restaurants and pubs.
