EDUCATION PARTNERSHIP

Thank you for your interest in working at Rochdale Sixth Form College. I hope that you will find this pack useful in completing your application.

Rochdale Sixth Form College (RSFC) opened in 2010 to address the significant underachievement in A Level performance in the borough. Since then it has raised achievement in the area dramatically and is recognised nationally as a centre of excellence. The college is rated Ofsted outstanding and, is consistently ranked as one of the highest performing colleges in the country according to the DfE's performance tables and national achievement rate tables.

The Altus Education Partnership was formed in April 2017. It is a multi-academy trust formed by the governing body of Rochdale Sixth Form College, and dedicated to the improvement of education in the borough of Rochdale. The Trust's mission arose from, and builds upon the successes and values of the sixth form college. In short, our mission is to create a family of academies from early years to 18 that enables students in the borough to progress to an aspirational career, a fulfilling life and to make a positive contribution to society.

To work at RSFC you must aspire to be an outstanding colleague. You must be willing to share and learn. You must be prepared to go the extra mile, be a leader not a follower. Above all else, you must like young people and aspire to make them outstanding citizens.

We wish to appoint someone who will help us to continue to make a positive difference to the lives of young people in the borough. In return we promise a supportive and enjoyable working environment, and the resources needed to carry out the role to the highest standards.

Background Information

High Academic Standards, High Expectations – No Barrier to Underachievement

Rochdale Sixth Form College has become one of the country's leading Sixth Form Colleges. It promises outstanding learning and teaching, with excellence being important in everything the College does. At RSFC we have simple systems and processes that are executed superbly well – this is important. We have no intention of complicating our organisation. Excellence in the classroom, abundance of powerful support, forensic tracking of student progress, the highest expectations for all students and a positive culture are central to our philosophy. The minute we move away from these beliefs is the minute we take our eye off the ball and that is not what RSFC is about. All students are expected to achieve at least their potential and more. We want to inspire, motivate, and enthuse and want the young people who walk through our doors to develop a positive 'can do' attitude and with it the self-confidence and self-belief that comes from being successful.

Having the right values are crucial at RSFC. High expectations and empathy are core principles at RSFC for all staff. Caring for our young people and being compassionate does not mean compromising on academic rigour. We expect staff at all levels to have the expertise and commitment but also to be passionate about young people and love working alongside them. All staff will build self-confidence and self-esteem into students through their daily interactions and have a burning desire to see them achieve their potential. High expectations of students and a total belief in their potential are an absolute must!
