Introduction from the Headteacher

The Henry Box School is an exciting place to work and learn. We are committed to providing education that transforms lives and we are ambitious in our pursuit of excellence. We are the leading school in our 'home grown' Trust.

This is a hugely exciting time for our family of schools as we are presented with a rare opportunity to make a real difference to the lives and life chances of so many young people. Our vision is to enable individual schools to flourish whilst remaining integral to the communities they serve.

Our approach

To join The Henry Box School is to join a family – staff and pupils who have the courage to do things differently, if that's what it takes.

The Henry Box School

Founded 1660

Here we think deeply about how we can have the biggest impact on pupils. In a world where the algorithms of life give us more of the same, we believe education has the role to give children something different. We continually ask ourselves the following five questions:

- Are we securing equity?
- Is our leadership driving school improvement?
- Is our curriculum irresistible?
- Are we research informed?
- Are we deploying resources effectively?

All schools in our Trust have a culture of compassion underpinned by high expectations and understanding. We have three rules: ready, respectful and safe. We are a truly inclusive organization and passionately believe that every child has a right to mainstream education.

Our curriculum principles

We aim to ensure that all our children have access to a 'box set' knowledge curriculum that builds students' schemata. We work on the understanding that the best type of feedback is in the moment and/or in the next lesson; feedback must be a medical, not a Post-mortem.

We limit our interventions to the ones that are evidence based and enable our students to access the curriculum. Our curriculum is learnt, not experienced and we work hard to ensure a challenging curriculum is available for all. Our curriculum principles are clear: we aim to make sure our curriculum:

- is ambitious and designed to give **all** learners, particularly the most disadvantaged, the knowledge and cultural capital they need to succeed in life.
- extends beyond the academic by providing opportunities to develop and discover their interests and talents. Learners are supported to develop their character and help them to know how to keep physically and mentally healthy – including resilience, confidence and independence.
- prepares learners for life in modern Britain, equipping them to be responsible, respectful, active citizens who contribute positively to society; developing their understanding of fundamental British values.
- all learners will develop their understanding and appreciation of diversity, celebrating what we have in common and promoting respect.
- is coherently planned and sequenced towards cumulatively sufficient knowledge and skills for future learning. Assessment is used to help learners to embed and use knowledge fluently, to check understanding and to inform teaching.
- has a rigorous approach to the teaching of reading, writing and oracy that develops learners' confidence and enjoyment of learning.
- provides a range of opportunities to ignite a passion for.

Professional development

Our professional development is truly gold standard – we were awarded ‘Gold’ by the Teacher Development Trust in 2020.

We work hard to reduce bureaucracy and keep after school commitments and meetings to a minimum. Teachers in their second year of teaching are entitled to the OLEVI ‘Improving Teacher Programme’ and in their fourth year the ‘Outstanding Teacher Programme’, whilst leaders complete the ‘Outstanding Leadership of Education’ Programme.

In a nutshell, whatever your career stage, you will have access to high quality professional development and a sensible approach to appraisal, based on action research and supporting each other to be even better. All staff also have access to our professional development library which houses over one hundred and fifty titles.

The Henry Box School is committed to promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The appointment will be subject to enhanced DBS clearance, satisfactory references and other relevant pre-employment checks.

All staff at The Henry Box School have a responsibility to co-operate with and follow all Health and Safety requirements in accordance with the school Health and Safety Policy.

If you are interested in working in a forward-thinking organisation, then Henry Box could well be the place for you.

The opportunity

Position: Teacher of Business Studies

Working Hours: Full or Part time

Required: September 2025

We are seeking to appoint a well-qualified, energetic, creative and enthusiastic highly skilled Teacher of Business to a permanent full-time vacancy at The Henry Box School. Part time hours may be considered for the right candidate.

We are a successful 11-18 comprehensive school, on a historic site in Witney. Applications are welcome from ECTs or experienced teachers.

The post is at based at The Henry Box School but, if you're ambitious and career minded, opportunities will become available across the Trust for the right person.

We are looking for candidates who are committed to the development of both the subject and the department. The successful candidate should be able to inspire and motivate students as well as have the ability to work well as part of a lively and professional team.

Business Studies and Economics

Economics and business play a substantial role in shaping the way we live. We aim therefore not only to develop students' understanding of what it means to set up and operate a business but to empower them to think about current business and economic issues such as the impact on the environment, inequality and the role of central government.

Key Stage 3

Business Studies and Economics are currently not offered in KS3.

Key Stage 4

Students in Year 10 and 11 follow the Edexcel Business Studies Course. The units studied are 'Investigating a Small Business' and 'Building a Business'. There are two exam papers which consist of calculations, multiple choice, short answer and extended writing questions. Students will be taught how to evaluate information and to structure clear and concise answers. This is a popular subject at GCSE as it paves the way to A Level and BTEC qualifications as well as potential career opportunities in marketing, retail, law, accountancy and psychology.

Key Stage 5

We offer a wider range of qualifications to Years 12 and 13.

In the Edexcel Business Studies A-Level course students learn about the functionality of business by way of four themes - Marketing and People, Managing Business Activities, Business Strategy and Global Business. There are three exam papers at the end of Year 13, one of which is an investigation over several months of a business in a competitive market.

The BTEC National Diploma in Business is an alternative qualification, which is the equivalent of two A-Levels. This qualification can be used to progress to Higher Apprenticeships. There is one external exam and two internal assessments. Students will study eight modules including the Principles of Management, Personal and Business Finance and Visual Merchandising. Students are expected to be highly organised and to manage their own portfolios.

In the Edexcel Economics A-Level, students analyse the national and international economies in which businesses exist by way of four themes – Markets and Market Failure, Policies and Performance of the UK economy, Business Behaviour and the Global Perspective. There are 3 exam papers at the end of Year 13 which consist of multiple choice, short answer and extended answer questions.
