## Teacher of Business

What we are looking for:

- Alignment with our values and ethos. We believe in working together with families and the local community to create an educational culture of life-long learning based on academic excellence and independent thought
- Someone who will foster a safe and respectful learning environment for all students
- A teacher with a passion for their subject who will deliver excellent teaching and learning
- Someone with a passion for CPD who will fully engage with our ongoing Professional Growth programme

What we can offer you:

- 
- A culture of hard work and a genuine desire to achieve embedded in both staff and students
  - A whole school commitment to producing the very best teaching & learning
  - A constantly evolving bespoke programme of CPD/Professional Growth
  - A school-wide open door policy, meaning all staff have the opportunity to observe lessons across the entire curriculum
  - A highly visible and forward-thinking Leadership Team who support staff, lead innovation, and never compromise on expectations
  - A leading Virtual Learning Environment which streamlines administrative tasks including marking, setting homework and data entry
  - A centralised approach to assessment & resourcing, giving more time to embed teaching & learning strategies and focus on Professional Growth
  - A robust behaviour for learning environment which enables teachers to teach and students to learn
  - An opportunity to develop the personal values and habits of your own tutor group, guided by a highly trained, experienced and dedicated pastoral team
  - A community of supportive families who help to ensure students leave our school confident, articulate, and culturally aware.

We would welcome applications from both experienced and newly qualified teachers. We are looking for an individual with a commitment to engaging our students' learning through excellent teaching and a passion for their subject.

*As employers, we are committed to safeguarding and promoting the welfare of children and in that regard have appropriate policies and procedures. All staff undertake a criminal record check via the Disclosure and Barring Service (DBS) and interviews will include questions about safeguarding children.*

## Teacher of Business

For September 2024

Salary dependent on experience: £30,000 to £46,525

The West Bridgford School has an opportunity for an enthusiastic Teacher of Business to teach to GCSE and A-Level.

For the right candidate there is opportunity for this to be a permanent or fixed-term position, working either full or part time.

The person we are seeking will be able to teach GCSE Business and A Level Business Studies, in a challenging and inspiring way and fully committed to helping students achieve high standards of academic success. For the right candidate there is a potential development opportunity for teaching Economics at GCSE and A Level.

The person we are seeking will be:

- Completely aligned with our values and ethos. We believe in working together with families and the local community to create an educational culture of life-long learning based on academic excellence and independent thought.
- Able to foster a safe and respectful learning environment for all students.
- Able to teach Business in a challenging and inspiring way, skilled in the use of technology to enhance their teaching, and fully committed to helping students achieve high standards of academic success.
- Enthusiastic about ongoing CPD and excited to fully engage with our dynamic model for Professional Growth.
- We would welcome applications from both ECT or more experienced colleagues.
- Depending on the needs of the department, there may also be some KS3 Computing teaching.

We are offering:

- Excellent professional development opportunities through our whole school commitment to producing the very best Teaching & Learning using Rosenshine's Principles of Instruction.
- Experienced ECT mentors. The department has an excellent track record of supporting teachers as they get established in their career.
- The chance to work as part of a team committed to continuous improvement.
- Fantastic students with a genuine desire to achieve.

The successful candidate will have to meet the requirements of the person specification in order to be offered the post and will be subject to an enhanced DBS check. The school is committed to safeguarding and promoting the welfare of children and young people and expects staff and volunteers to share this commitment. We welcome applications regardless of age, gender, ethnicity or religion. For further information, and an application pack, please visit our web site at [www.emet.academy/vacancies](http://www.emet.academy/vacancies) or email [recruitment@emet.uk.com](mailto:recruitment@emet.uk.com)

Only applications submitted on the school's application form will be considered. We do not accept applications through recruitment agencies.

Closing date for applications is at 12-noon, Tuesday 07<sup>th</sup> May 2024.

## **THE WEST BRIDGFORD SCHOOL**

### **Enterprise Department** **(Computer Science, IT, Business and Economics)**

The school has an highly experienced and skilled Enterprise department that has a focus on excellence in its subjects while maintaining high levels of student interest through engaging topics, tasks and content. The department has an open and trusting atmosphere, where both teachers and students feel free to celebrate their achievements and discuss their issues. Staff within the department collaborate on all parts of the curriculum with shared resources, planning and schemes of work. In addition, Enterprise staff actively get involved sharing responsibility, and also have their own individual responsibilities for the many different areas we are involved with. The department also cross trains in subject skills during twilight sessions, and we support each other with workload.

The department teaches several distinct areas:

#### **Computing (KS3)**

During KS3 (Yrs7/8/9), all students have a single (1hour) lesson per week in their Tutor groups. They study a wide range of Computing and IT disciplines. They also learn the key skills needed to successfully access the schools systems and make use of computers in other subjects. The curriculum is mainly programming oriented (where possible) and they undertake a variety of programming topics using languages such as Python and Java. However, we also try to give them a broad range of experience in IT skills such as electronic submission of all work and skills to help our subjects at KS4 e.g. video editing and image manipulation. We are constantly introducing new ideas and ways to keep their learning and interest current.

#### **GCSE's: Computer Science, Economics, Business. Cambridge Nationals: IT and iMedia**

At KS4, all subjects are optional (chosen in Yr9 by students to start in their Yr10). For Computer Science, IT and all Cambridge Nationals we use the OCR exam board. Business uses Edexcel and for Economics uses AQA. These subjects are all taught by specialists and the dept. prides itself on the superb results we consistently manage to attain. Students have 5 x 1hr lessons over 2 weeks and everyone in the dept. teaches at least 2 of these disciplines.

#### **A Level: Computer Science, IT, Economics, Business (KS5)**

At KS5, many of the students who take an Enterprise option at KS4 will go on and study that subject with us at A Level. For Computer Science and IT, we use the OCR exam board. Business uses Edexcel and Economics uses AQA. These subjects are all taught by specialists and the department prides itself on the excellent results we consistently manage to attain. Students have 9 x 1-hour lessons over 2 weeks and most people in the department teach 2 of these disciplines.

#### **Enterprise Extra Curricular**

The department involves itself significantly with extra-curricular activities. We run Young Enterprise for YR12 students and have been successful (nationally) with this over the years. The department has links with local industry and Universities, and they visit us in school and we run trips to these organisations to broaden student's experience. We are also running a successful after school Computing Club.
