Dear Candidate,

Thank you for expressing an interest in our school. As the founding Headteacher, I am delighted to welcome you to Bullers Wood School for Boys, an exciting boys' comprehensive school in Bromley.

We opened in September 2018 and are now in our fourth year of operation. There are currently 720 boys on roll in Years 7, 8, 9 and 10. In September, this will rise to 900 boys from Years 7 - 11. The ambition is for our boys to progress on to Bullers Wood Sixth Form, located on our partner school site, Bullers Wood School for Girls.

Our aim is to provide an outstanding education for boys within a culture of high aspiration, courtesy and respect. It is our core belief that all of our boys can enjoy and achieve success whatever their starting points.

You will be joining us at a very exciting time in our development. Our first cohort of boys are now studying for their GCSEs and we are looking forward to being at steady state. We have been in our new building for just over a year having been in temporary accommodation for two and a half years previously.

Although we continue to move forward on our journey to creating an outstanding school, it is not without its challenges. Therefore, attracting the very best staff is key. We are seeking staff who are passionate, engaging, driven, resilient and flexible. Most of all, staff who are unafraid of rolling their sleeves up and getting stuck-in when necessary.

In return, we offer you the chance to be part of a pioneering team, creating a fantastic school serving this local community. We also offer you the support network of our established partner School, Bullers Wood School for Girls, as well as opportunities for enhanced professional and career development within the School and across Bullers Wood Multi Academy Trust.

We are building a great school in Bromley that will hopefully serve many generations of boys to come. After reading about us, I hope you will want to be part of our story and one of the final pieces in our jigsaw.

I look forward to welcoming your application.

Yours sincerely,

Anne Gouldthorpe  
Headteacher

## *An Introduction to Bullers Wood School for Boys*

### *The School*

*Bullers Wood School for Boys is a thriving, oversubscribed, 11 – 16 boys' comprehensive school situated in the London Borough of Bromley. We opened in September 2018 and currently have 720 boys on roll and we will continue to grow until September 2022 when we will reach our full capacity of 900 boys in Years 7 to 11.*

*When we opened, we became the partner school to Bullers Wood School for Girls, (a successful comprehensive girls' school with a large, co-educational sixth form), responding to significant demand for more secondary school places, particularly for boys, in the local area.*

*For the first two and a half years, we operated out of temporary sites eventually moving into our brand new £23 million building in the Spring of 2021.*

*We continue to build a staff team that is focused, relentlessly, on improving the achievement and opportunities for our boys. All staff working at the school subscribe to our ethos and values, and seek to improve and develop their own practice and performance for the benefit of our boys.*

*Working in a new and expanding school is a once in a lifetime opportunity. You will need to demonstrate a commitment to and evidence of success in sustaining academic excellence, help every boy to succeed, be an excellent classroom practitioner, demonstrate that you can work as part of a team, and inspire others to excel.*

*We provide an academic curriculum with an emphasis on the EBacc suite of subjects (English, maths, sciences, humanities, languages), and Sport. We believe that qualifications in these subjects are essential for our boys to progress successfully onto the next stage of their careers. Our curriculum is also responsive to the needs of individuals providing a more personalised approach when and where necessary.*

### *Our Ethos*

*Both Bullers Wood School and Bullers Wood School for Boys are schools where all children and young people are able to enjoy and achieve success. Both schools exist to provide all children and young people with high quality learning experiences delivered by teachers who are passionate and able to convey their knowledge effectively and enthusiastically within a stimulating, safe and supportive environment.*

*Our ultimate aim is to produce well-rounded, confident and successful individuals who enjoy learning, make ambitious progress and achieve high quality and meaningful qualifications. We want them to become emotionally resilient and responsible citizens who make a positive contribution to society, including both their local community and the wider world in which they live.*

### *Our Principles*

*Bullers Wood School for Boys has an unremitting focus on learning, and a genuine conviction that each boy has the potential to achieve and enjoy success. We aim to create a culture of caring masculinity where boys develop into and leave us as happy, healthy, resilient and successful young men.*

#### *Features of Bullers Wood School for Boys*

- *High quality teaching and learning that raises boys' achievement, removes barriers to learning, develops a growth mind-set and is tailored to the way's boys learn.*
- *Seamless progression from KS2 to KS3 so that there is no loss in learning, progress and attainment between key stages.*
- *An academic curriculum with an emphasis on the EBacc and other high value subjects- but one that is also responsive to the needs of each individual student, providing support and stretch where necessary. This will enable our boys to achieve the qualifications they need to progress successfully to some of the top H.E. institutions in the country.*
- *A fundamental belief that being literate and numerate is key to accessing the curriculum - and as a non-selective mainstream boys' school with a comprehensive intake, we will create a curriculum to address these needs quickly and from the outset.*
- *Innovative technology to support successful learning and extensive IT systems to manage data and communication efficiently and effectively.*
- *Extra-curricular opportunities beyond the academic curriculum so that boys can find their niche, experience success and develop self-confidence. This will also include competitive sport.*
- *A strong and caring pastoral system where every boy is known and feels listened to and supported - achieved through a team of pastoral leaders and tutors who will provide high quality care, guidance and support to boys on a daily basis and throughout their time at the School.*
- *Powerful partnerships between the schools within the BWMAT, parents and the local community. Parents are integral to their sons' long-term success through their engagement and support of the School.*
- *A personal development programme that enables boys to develop into confident, independent, courteous and respectful young men. This programme will address not just QCA requirements, but also develop self-confidence, leadership, organisation, resilience, and independence and communication skills in boys.*
- *The development of student leadership so that boys can share in the decision- making processes of the School, act as role models and support others academically and interpersonally.*
- *Firm discipline and clear boundaries with high expectations of attendance, punctuality, uniform and attendance balanced by a reward system that celebrates endeavour and success.*
