Headteacher's Welcome

As the headteacher of Parkstone Grammar School, it is my great pleasure to welcome you to our vibrant and dynamic school community. At Parkstone, we are committed to providing an exceptional educational experience that nurtures the intellectual, social, and emotional growth of every student.

We are a heavily oversubscribed 11-18 selective girls' school offering outstanding education to the students of Poole and its surrounding area. Founded in 1905, Parkstone has continued to provide excellent academic results within a warm, friendly and vibrant community. We are a six-form entry school with 1250 students including 350 in the sixth form.

Our school is a place where students are encouraged to explore their passions, expand their knowledge, and develop critical thinking skills that will serve them well throughout their lives. We have a team of dedicated and highly qualified teachers and support staff who are passionate about education and are committed to inspiring and challenging our students.

We believe in creating a supportive and inclusive environment where each student feels valued and respected. Our students are rightly proud of their school which provides for them a broad and balanced curriculum promoting independence, intellectual curiosity and a love of learning. Subjects offered at GCSE and A Level include academic and facilitating subjects from a very wide range. Our sixth form collaboration with Poole Grammar School for Boys allows us to offer an extensive A Level curriculum.

Students at Parkstone are not only encouraged to succeed academically, but to enjoy the wide range of musical, theatrical, sporting, speaking and charitable opportunities. They thrive in an environment of support and challenge, becoming resilient learners well prepared to succeed in the 21st Century.

The unique single-sex selective environment allows the students to grow in a safe and supportive atmosphere. Parkstone's national reputation for excellence and continued success is testament to the consistent dedication of students, staff and governors.

Ofsted commented that Parkstone offers a 'stimulating, friendly community in which all students are valued and may thrive intellectually, emotionally and physically'. Our school's focus is always on teaching and learning as we strive to challenge these able students to become confident, happy and successful young people.

I invite you to apply to our school, and experience the warm and welcoming atmosphere that makes Parkstone truly special. If you're ready to embark on a rewarding journey where your passion for education meets limitless possibilities, we encourage you to explore the opportunities at Parkstone. Join us in making a difference to our young people and shaping the future together.

David Hallsworth, Headteacher

Key findings of this Outstanding School

“Under the headteacher’s calm, authoritative and exceptionally effective leadership, the school has improved rapidly since the previous inspection”.

“Leadership at all levels is very strong. Governors, senior leaders, middle leaders and other staff work harmoniously together to provide high-quality education for pupils”.

“Pupils make remarkable progress by the time they take their GCSEs in Year 11. This is sustained in the sixth form”.

“By the time they leave school, pupils have attained consistently at the highest levels and are extremely well prepared for the next stage of their education or employment”.

“Disadvantaged pupils make exceptional progress during their time at the school. Their rates of progress are much higher than other pupils nationally with the same starting points”.

“School leaders make very good use of targeted training to develop teachers’ professional knowledge and skills. As a result, teaching continues to improve”.

“Teachers are knowledgeable and enthusiastic. They inspire and sustain a love of learning in their pupils. Teachers have an unswerving faith in the ability of their pupils to succeed and give their time unselfishly to ensure that this happens”.

“Pupils are confident and articulate learners. They take great pride in their work and are determined to succeed”.

“Pupils’ behaviour is impeccable and their positive attitudes to learning are exemplary. They are hungry to learn and attendance rates are high, including in the sixth form”.

“The sixth form is outstanding. Students follow very well developed 16 to 19 study programmes”.

“Disadvantaged students prosper in the sixth form and in recent years all have gone on to university”.

Full-Time Teacher of Chemistry (Maternity Cover)

DETAILS OF THE POST

This post becomes available from November 2025, although a start in January 2026 will be considered, and offers excellent prospects for a committed and enthusiastic candidate to work in a highly effective and very successful Chemistry Department.

We are looking to appoint an outstanding teacher to join the department. It is essential that the successful candidate be able to teach Chemistry to GCSE and A Level and Science at KS3. They should be someone who can continue to inspire, enthuse and bring out the best in all our students.

All teachers are expected to act as form teachers and to assist with the extra-curricular activities of the school.

THE DEPARTMENT

Science is a large department and within Science the Chemistry Department consists of 6 staff who deliver Chemistry and appropriate Technician support. Each Science has a Head of Department, and there is also a Head of Key Stage 3 Science.

CURRICULUM

At present, the Sciences at GCSE are taught as separate subjects. Staff are committed to maximising student achievement and examination results in the department are excellent. Each year a number of students are successful in gaining top grades. Uptake at A Level is extremely healthy with many students pursuing Science-related courses at university.

Years 7 & 8: Students follow a coordinated course (that has been written by the department), with a very strong emphasis on learning skills, essential Science investigatory and problem-solving skills, as well as meeting statutory requirements for KS3 in terms of content. Students are taught KS3 Science with 6 hourly lessons in a fortnight.

Years 9-11: All students follow a course that leads to Separate Science GCSEs. Chemistry GCSE follows AQA.

A Level:

A2 Chemistry: OCR

Uptake is strong and groups have 9 periods per fortnight shared between two teachers.

LABORATORIES AND RESOURCES

The department is very well resourced and there are 12 fully equipped laboratories in the Science Block (4 Biology, 4 Chemistry, 4 Physics), with 4 Prep Room areas, and two departmental study/staff rooms. All laboratories are equipped with interactive whiteboards.

The department has 3 trolleys of laptop computers for student use, all wirelessly linked to the curriculum network. The main Science lobby area also has workstations for private student study.

Science has been well equipped over the last few years and storage provision is well organised by the experienced Technicians. ICT is used extensively by the students and all teachers are provided with a laptop.

DEPARTMENT INITIATIVES AND OTHER RELEVANT INFORMATION

- The Parkstone Science Department regularly sends students to Oxford and Cambridge, Medical/Veterinary Schools and a variety of Pure and Applied Science courses at Universities.
- We have strong links with our local universities, and students benefit from workshops and visits.
- There is an active body of Prefects in Year 12 and 13 who undertake a variety of roles including mentoring, organising discussion groups and helping on Open Evenings.
- There is a monitoring system in place to ensure students fulfil their potential.
- All staff have had extensive professional development which enhances their teaching and managerial skills.

Person Specification

We are seeking a highly skilled colleague who will be dynamic and committed to the school. The qualities/skills/experience we are looking for include:

- excellent academic/professional qualifications
- excellent classroom skills reflecting the standards laid out in the Teachers' Standards document 2012
- the highest possible expectations of standards of behaviour and attainment
- a proven record of success in teaching Chemistry and the ability to teach at Advanced Level
- the ability to demonstrate enthusiasm and passion for the subject
- an awareness of current developments in the subject
- the ability to use data on student achievement as effectively as possible
- ICT skills that enable you to make the best use of new technology to support teaching and learning
- excellent inter-personal skills
- the ability to work well within a team and contribute to planning of schemes of work
- a willingness to carry out coursework/controlled assessment supervision and marking
- an excellent rapport with both students and colleagues
- decision-making skills
- excellent communication and presentation skills
- the ability to work effectively under pressure
- a commitment to safeguarding and promoting the welfare of students
- a commitment to the wider life of the school
- a commitment to equality of opportunity
- a commitment to continuous improvement and professional development
- boundless energy and a sense of humour!
