founded 1681

Co-educational Academy

Roll: 1427 including 384 in academic Sixth Form

Teacher of Chemistry

Start date: September 2021

Salary: Main Pay Scale/Upper Pay Scale plus London Fringe Allowance

An exciting opportunity for an enthusiastic Chemistry specialist to join our successful Science Faculty. You will join the faculty as it moves into a brand new, purpose built Science block with 12 high specification teaching laboratories. Our experienced teachers are supported by 4 specialist technicians.

The role will suit either an Early Career Teacher or a more experienced colleague with a passion for Science and the skills to engage students across the age and ability range. The successful applicant will be confident in delivering Chemistry at GCSE and A Level and able to teach all of the science disciplines (Biology, Physics and Chemistry) at KS3.

Science at Parmiter's attracts a large number of students to the Sixth Form and currently there are 20 A level Science teaching groups. Over half the cohort study Triple Science at GCSE. Attainment at GCSE and A level is consistently excellent.

We can offer:

- July 1st start date for ECTs (Early Career Teacher) with a comprehensive programme to support the Early Careers Framework
- Robust induction programme and bespoke CPD to suit your career goals
- Competitive salary with London fringe allowance
- Highly talented and engaged students
- Lovely school grounds in leafy surrounds with an on-site gym and Sports Facilities
- Support for completion of an MA, if desired
- An admission policy prioritising the children of staff.

Application forms available from the school website should be returned with a covering letter to the Headmaster, Mr M Jones at admin@parmiters.herts.sch.uk, by no later than May 11th.

Early application is advised as we reserve the right to close the advert early should a suitable candidate be found.

Parmiter's School is committed to safeguarding and promoting the welfare of children, and applicants must be willing to undergo child protection screening, including checks with past employers and the Disclosure and Barring Service.
