

Teacher of Computer Science

Required from 1 September 2024 (an earlier start may be available)

Job Type	Teacher of Computer Science
Salary	MPS/UPS

About the Role

Northern Star Academies Trust seek to recruit the very best people to work across our Trust Partnership.

At Skipton Girls' Highs School we provide an excellent and challenging education which seeks to enable all students to make maximum progress in their learning and gain a great sense of personal development and achievement. We strongly believe in personalisation and encouraging enquiring minds. The school highly values the importance of developing a community environment in which mutual respect and individual talents are nurtured.

This is an exciting opportunity for a well-qualified Computer Science teacher. The successful candidate will be expected to play a full part in the academic, pastoral and social life of the school, to act as personal tutor and to take part in the school's programme of professional development. We offer a fantastic environment for a talented colleague to excel at the cutting edge of Computer Science teaching.

We have a fantastic team of staff and you will be fully supported by an experienced Curriculum Leader who share a vision of effective teaching and learning founded on collaborative planning, assessment and instruction, and who help each other to continually improve practice. We have an open-door culture and reflective ethos where we use lesson study to learn from each other all the time.

We are seeking a well-qualified, lively, highly motivated specialist and innovative thinker to further strengthen the provision in the CREATE (Computing, Robotics, Engineering, Art, Technology and Enterprise).

You will be able to demonstrate up-to-date knowledge of teaching, learning and personalisation strategies and be responsible for maintaining the highest quality of monitoring and evaluating whilst improving the standard of achievement for all students. You will be confident in your abilities to teach effectively **at all key stages and a specialism in Computer Science is essential**. You will be adept in creating a supportive, encouraging and safe learning environment for students of all diverse backgrounds.

Why work for Northern Star Academies Trust?

We are a mission-driven Multi-Academy Trust, with an unwavering commitment to nurture learning in a sustainable environment so that our whole community can thrive, aspire and succeed. We offer access to a professional and supportive community of academies, fellow senior leaders, and mentors to help develop and progress your career. Each school in our Trust is unique and all of our primary and secondary academies are rated 'good' or 'outstanding' by Ofsted.

We can offer a commitment to your professional development, the opportunity to work in part with colleagues from primary and secondary schools across the MAT and the chance to be a part of something truly special. If you want to make a difference and are committed to improving life changes for children, we would love to meet you and show you around our fantastic school, please contact Christine Simmonite, Headteacher's PA, simmonitec@sghs.org.uk to arrange a visit.

Further Information

For further information and to submit an application, please visit the candidate portal at <https://candidates.every.education/Vacancies/Details?advertKey=3ebabd6a-f856-4341-8b7a-f87801ed7e33>.

If you would like to send a covering letter please email this to recruitment@nsat.org.uk by the closing date. If you would like to have an informal chat about the role, please telephone 01756 707609.

Applications must include a completed application form, for safeguarding purposes. A CV alone is not sufficient.

Closing date	9am Monday 15th April 2024
Interviews	TBC

Northern Star Academies Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. This post requires an enhanced DBS Criminal check. Please note that in line with Keeping Children Safe in Education 2022, an online search will be carried out as part of our due diligence on shortlisted candidates.
