Thank you for taking an interest in our school. Aylestone School is federated with two primary schools with one Executive Headteacher. This is an exciting opportunity for an enthusiastic, dynamic, creative teacher to join our school as a teacher of Computer Science. We are looking for an inspiring teacher with a real passion for their subject, with the ability to teach Computer Science across KS3- 4, including at GCSE level. We offer you an exciting opportunity to work with and enhance a forward thinking, successful, small, supportive and motivated team. Whilst the school has a relentless focus on high expectations and aspirations, we are proud to provide a happy and nurturing environment, so that as well as maturing into well-rounded, confident young people, our students develop a passion for learning.

A further opportunity with the school has arisen for a teacher to work within the Pastoral Team managing the behaviour, welfare and academic achievement of students within a designated year group. The successful candidate will work closely with students, parents and staff to remove barriers to learning and progress and support the development of high standards in all aspects of pupil behaviour, attitude and learning culture. They will regularly analyse data to inform and implement proactive, as well as reactive, intervention, mentoring or counselling to ensure our learning ethos is supported through high quality pastoral care where every child can blossom and make rapid progress.

We are looking for a teacher who has a clear commitment to achieving the best possible outcomes for pupils of all abilities. This post is suitable for teachers who are looking to apply their existing experience to a middle leadership role. We are looking for a candidate who:
