FULL TIME/PART TIME TEACHER OF COMPUTER SCIENCE AND ICT

Required from September 2026 or sooner, M1-M6, depending on skills and experience

We are seeking to appoint a well-qualified and enthusiastic teacher of computer science and ICT to join an innovative, vibrant and supportive department where teachers are committed to developing learning strategies which challenge and interest all of our students.

The successful candidate will join a thriving vocational faculty in a school where there is strong uptake of both computer science and ICT courses at both key stage four and key stage five. Computing is a popular subject, with well attended clubs, including a sponsored robotics club that has been able to enter two teams into national competitions. Our Sixth Form students play an active role in these extracurricular activities and have an excellent track record of moving onto Russell Group universities and competitive degree apprenticeships. Our vocational faculty comprises three teachers, and is based in a dedicated block with three full-size computer suites and one smaller computer suite for Sixth Form teaching.

You will possess energy, enthusiasm and the desire to inspire a love of the computing. You will be responsible for delivering computer science and ICT lessons in line with relevant curriculum requirements, ensuring high standards of teaching and learning are maintained, whilst collaborating with the wider vocational faculty to sustain and maximise student progress.

We are committed to developing our staff through first class induction and high-quality professional development. As a result, a large proportion of JMHS staff have achieved promotion to middle and senior leadership positions.

JMHS was last inspected by OFSTED in November 2022 who confirmed our good grading and whose comments included:

- Pupils behave well. They are polite to their teachers and considerate of their peers.
- Parents rate teachers' high expectations because they push pupils to do more. Many say teachers go 'above and beyond' for their children.
- Pupils can do unusual stuff at this exciting school.
- School leaders have constructed a rich and engaging curriculum.

We welcome visits from prospective applicants. If you would like to have a tour of the school, please email Joanne Males, Vocational Faculty Leader: joanne.males@jmhs.hereford.sch.uk

Full details of this post and an application form can be downloaded from www.jmhs.hereford.sch.uk.

Application forms should be emailed to vacancies@jmhs.hereford.sch.uk.

Please note that only applications submitted on John Masefield High School application forms will be considered and we do not require CVs. JMHS is committed to the protection and safety of its pupils and therefore all appointed candidates will be subject to a Disclosure and Barring Service check at Enhanced Level. All shortlisted candidates will be subject to an on-line Google search.

Closing Date : Monday 29th September, 4:00pm

Interview dates : Week commencing Monday 6th Oct

Please note: We reserve the right to interview prior to the closing date so early applications are advised.
