nbhs@northbromsgrove.worcs.sch.uk

Age range: 13 – 18 NOR: 1100
A mixed Comprehensive High School with a Sixth Form.

Required from September 2023

Teacher of Computer Science and Business Studies MPS/UPS Full Time - Permanent

Are you an ambitious and motivated teacher of Computer Science? We are looking to appoint an innovative teacher, who is passionate about their subject and has a genuine interest in promoting the understanding and lifelong value of Computer studies beyond the classroom. We want a colleague who believes in providing a rich and exciting education for our students that promotes a love of the subject and develops a desire to study beyond Post 16.

North Bromsgrove High School is an exciting place to work and learn, and was recently judged 'Good' across every area by Ofsted (January 2023) in which *'Leaders and staff work tirelessly to realise their vision of an inclusive community school. All are reaping the rewards of their collective endeavour. Staff feel supported by leaders and know leaders value their efforts. Leaders' mantra of the 'North family' is evident in many facets of school across all year groups'*. As a consequence of our success and reputation within the community, our numbers have increased in Year 9 and Year 13 and we are now oversubscribed.

North is an exciting, vibrant and friendly school, enjoying enviable facilities. Our vision is to enable our students to become confident, ambitious and successful in their chosen fields, by reinforcing our CARE values: Community, Aspiration, Respect and Endeavour. Ofsted (January 2023) identified *'Leaders, staff, pupils and students have worked together to make North Bromsgrove High School a better place to work and learn. They have been successful. The school's 'CARE' values of 'community, aspiration, respect and endeavor' have been at the heart of their work'*. We treat every child as an individual, prioritising academic excellence through reflection and focus on continual improvement across all areas of the school.

North also benefits from its location: it is just south of Birmingham and attracts many staff from that area via a short commute; it is also between the M5 and M42 hence providing ease of access for staff travel.

We are looking forward to reading letters of application from experienced teachers, particularly those experienced in teaching Computer science, or from newly qualified entrants to the profession; NQTs enjoy a full programme of support, or for more experienced colleagues, we are delighted to be able to offer access to National College leadership programmes through our Teaching School partnerships.

We can offer you:

- A welcoming and supportive environment
- Effective professional support and development
- Opportunities for leadership development
- Successful GCSE and A Level Computer teaching
- Excellent facilities
- A forward-looking school where excellent teachers can transform lives

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful candidate will undertake an Enhanced Disclosure via the DBS, where appropriate.

Closing date for applications: 19 April 2023

Interviews will be held week beginning: 27 April 2023

**To arrange an informal visit, please contact Mrs Kite
