We wish to appoint, for September 2021, an enthusiastic and able Teacher of Computer Science in this highly successful and over-subscribed school. A strong background in Computer Science is a requirement with the ability to teach GCSE and A-Level Computer Science. The ability to also teach ICT or Business would be an advantage. The successful candidate should have the ability to motivate all students and to bring new ideas as the school builds on its excellent status.

The appointment would suit an experienced or early career teacher as the school provides a thorough and successful training programme.

Applications from those wishing to contribute to other aspects of school life outside the classroom are particularly welcome. We offer a secure, supportive environment, a full induction programme for all new staff and continuous professional development

Hitchin Boys' School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. An enhanced DBS check is required for all posts.

Further details and an application form are available on the school website. Completed forms should be emailed to Mrs Becky Rose, PA to School Business Manager at brose@hitchinboys.co.uk.
