

## TEACHER OF COMPUTER SCIENCE

**MPS + Federation Benefits**  
**To start September 2023**

**Full or Part Time applications considered.**  
**Applications from ECTs welcomed or returners to the profession**

Do you want to be part of a team who supports students to send code to the International Space station to carry out research in weather patterns? Perhaps you would like to travel to Paris to take part in an international exhibit for new technologies? We are a passionate team of coders who revel in teaching students how to create algorithms that solve problems successfully. Would you like to be part of this team?

Computer Science is a highly valued subject at Harington School with the talented team consistently achieving outstanding outcomes across all the qualifications we offer. Progression rates through to A level are very strong and the popularity of the subject has grown significantly with students enjoying the strong programming element of the course. Alongside high academic standards, the team have a strong commitment to providing extracurricular opportunities for students. In recent years this has included field trips to Disneyland Paris, and an opportunity to speak to an astronaut on the International Space Station as a result of winning the AstroPi competition for aspiring programmers. After-school clubs such as Cyber Discovery and Cyber-start Girls provide opportunities for students of all ages to explore computing beyond the Key Stage 3, GCSE or A level curriculum. You will be joining an experienced and highly-qualified team who have high expectations of themselves and the students they teach. At A level and GCSE, there are clearly planned curriculums in place to support new staff on arrival.

There are outstanding facilities throughout Harington School offering excellent teaching resources and access to numerous iPads, laptops and computers. Harington School is part of the Rutland and District Schools' Federation, along with Catmose College, both of which have been graded outstanding by Ofsted. Candidates will also have the opportunity of teaching GCSE Computer Science at Catmose College.

Applications are welcomed from either ECTs, who will be well supported by experienced mentors, or from more experienced candidates where there are exceptional opportunities for further professional development and promotion. We are committed to being an inclusive employer and welcome applications from candidates looking for a variety of flexible working arrangements including, but not limited to; part time working and a job share.

Teachers are able to enjoy many additional benefits that come as part of working within the Federation. These include, amongst others:

- Relocation support for hard to recruit subjects.
- Vast range of staff training including a partially funded Master's scheme.
- Primary, secondary and sixth-form teaching opportunities.
- Staff laptops.
- Priority admission for children of staff to the College and Primary.
- Flexible working; part-time and a job share considered.
- A broad range of opportunities to engage in extracurricular trips and activities.
- A subsidised restaurant, refectory and orangery.
- Complimentary lunch on staff training days.
- Cycleshare scheme salary sacrifice for bike purchases.
- Free parking.
- Complimentary flu vaccination.
- Holidays outside of the usual term-time pattern, including a two-week autumn break and an early summer.

The Federation is committed to safeguarding and promoting the welfare of all students in our care and expects all staff to share this commitment. We provide safeguarding training to all staff on an annual basis, and all staff are responsible for ensuring safeguarding, health and safety policies are implemented in line with Federation policy and current legislation. Please familiarise yourself with our Safeguarding Policy, available online at [www.rutlandfederation.com/policies](http://www.rutlandfederation.com/policies).

This position advertised is a 'regulated position' which means it will involve regular contact with children and young people; under the Safeguarding Vulnerable Groups Act 2006 it is an offence to apply for this role if you are barred from engaging in regulated activity relevant to children. This position is also 'exempt' from the Rehabilitation of Offenders Act 1974.

If you have any questions regarding the role, please contact Claire Pugh who is the link Vice Principal for Computer Science, she may be contacted via email: [cpugh@catmosecollege.com](mailto:cpugh@catmosecollege.com)

### HOW TO APPLY

Application forms and information are available online at [www.rutlandfederation.com](http://www.rutlandfederation.com) or by emailing [office@rutlandfederation.com](mailto:office@rutlandfederation.com).

- You should write a letter of application on no more than 2 sides of A4.
- You should complete all sections of the application form.
- On the form clearly state the names, addresses, telephone numbers and e-mail addresses of two professional referees; it is our usual practice to ask for references before shortlisting and always to ask for references before interviews.
- It is a condition of employment that you have a successful DBS check made and can provide proof of identity and qualifications gained.

Please note that due to the high number of applications we receive for positions, your application is unlikely to be considered if you do not follow these requirements. CVs are not accepted. The closing date is 9am on Tuesday 14 March 2023. You should send your application to Stuart Williams, Executive Principal, Harington School, Huntsmans Drive, Oakham, Rutland, LE15 6RP. Applications can also be emailed to [office@rutlandfederation.com](mailto:office@rutlandfederation.com).
