Required for September 2021 TEACHER OF COMPUTER SCIENCE (MPS/UPS)

We are seeking a suitably qualified and enthusiastic teacher of Computer Science. The person appointed will be an excellent classroom teacher who sets high standards, uses innovative practice and inspires students to learn. The post involves delivery of Computing at all key stages. The post is suitable for either an NQT or more experienced teacher and a full programme of induction and support is offered.

A high value is placed on computing at Sheldon. Sheldon is a high-performing school with a strong record of success. It is a very happy school and staff morale is high. Our vision is to be a forward-thinking and outward-looking school. So, if you are a very good teacher with experience of empowering students and staff to achieve their best, this job could be for you.

"The all-pervading caring ethos ensures that pupils are happy and able to thrive from the moment they arrive at school. The vibrant atmosphere created reflects the commitment to pupils' enriching and positive school experiences." Ofsted June 2017.

We are situated in attractive parkland on the edge of the rapidly growing market town of Chippenham, surrounded by beautiful countryside. There are good rail and road links to London, we are 5 minutes from junction 17 on the M4 and a 10 minute train journey to the beautiful Roman City of Bath.

Application process: Please click '**Apply Now**' and download our application form and submit, together with a letter of application to hr@sheldonschool.co.uk
Sheldon School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. This post requires a satisfactory enhanced DBS disclosure
