11-12 Person Specification

LETTER FROM THE HEADTEACHER

Thank you for your interest in joining us at Crispin. We believe that Crispin is a great school to be a part of whether as a student or colleague. We are a friendly, inclusive, highly successful school of over a thousand students who make strong progress academically, but who also receive a great many wider opportunities to learn in the fullest sense of the word.

Crispin is a popular school with a strong reputation. We unashamedly have high expectations of all members of our community and we believe in challenging and supporting students to achieve their very best. Visitors regularly refer to our students and colleagues very positively. Relationships between staff and students are a strength of the school and colleagues are committed to providing every opportunity for students to have a broad experience and to be successful. We are committed to educating the whole child to ensure they enter adulthood as happy, supported young people with a love for learning. There is a sharp focus on learning and students receive excellent support. At all times we seek to be a compassionate institution.

It is important to state that Crispin has a very strong safeguarding culture which we would expect potential colleagues to wholeheartedly support.

We have a wide-ranging curriculum and have recently expanded the opportunities for students. We offer two Languages, a range of Arts and Technology options as well as courses in areas such as Business, Engineering, Health and Social Care and Sport. Students have the opportunity to study Philosophy and our popular course, Curriculum for Life. There are also a wide range of enrichment activities for students ranging from residential visits to school productions; sports to music; an enrichment week to work experience. We have a successful 'Employability' programme which provides important opportunities for students.

We are proud of our House system which is comprised of four Houses (Corvus, Falco, Sturnus and Tyto). This system allows for a wide range of opportunities for students from collaboration to competition, student leadership to support. All colleagues are members of one of the Houses.

We are fortunate to have a well-equipped site which includes extensive grounds, a range of curriculum area blocks and an astroturf pitch. We are also extremely fortunate to have opened a purpose-built Innovation Hub in November 2020. This has been the most substantial development of the site since the opening of Crispin.

This post is a really exciting one and would be a great opportunity for the right candidate. Other than the basic details in the person specification, we do not have a pre-existing idea of what the successful candidate's career to date will have been. We realise that prospective colleagues will have a range of skills and experience and we will fully support the successful candidate to develop professionally. We have a strong Creativity and Innovation Faculty with a range of experience and expertise which works in a collaborative and supportive manner. We are passionate about providing a wide range of opportunities for all colleagues and this is often referred to favourably by colleagues. Every year colleagues are seconded as Associate Assistant Headteachers, have the opportunity to join the Extended Leadership Team as well as a wide range of other opportunities to develop their careers.

Crispin joined the Wessex Learning Trust on 1 March 2023. We have been working closely with the Trust since 2022 and our membership offers a range of opportunities for the successful candidate.

The most important thing is that you are passionate about teaching Computing. Above all else you should be:

- A reflective and caring colleague.
- Always seeking to maximise the success and happiness of students.
- A colleague with the highest expectations of what all members of the school community are capable of.

Should you require any further information, would like to discuss the post with me or would like to visit Crispin before an application, do not hesitate to contact us by email:

HeadsPA@crispinschool.co.uk

To apply for this role simply click on the quick apply button on TES.com and complete the online application form. Your supporting statement / letter (of no more than two sides) should outline your skills and experience and how you meet the person specification.

After reading through the application information pack I hope you decide to apply for the post and I look forward to reading your application.

Paul Reddick
Headteacher

ADVERT

Teacher of Computing

MPS/UPS

Full time permanent contract from September 2025

This is a fantastic opportunity to join us as a Teacher of Computing in a collaborative, supportive and happy school. Are you driven by sharing your passion for Computing and ensuring students reach their potential? If so then we would love to hear from you.

Please read on to find out more information about Crispin and how to apply for the role. In addition, for a more comprehensive insight into Crispin and the role itself, including Job Description, Personal Specification, Letter from the Headteacher and an overview of Computing at the school, please download the Applicant Information Pack below.

Crispin is a friendly, inclusive and highly successful school of over a thousand students. Students at Crispin achieve excellent examination results and the school has a strong reputation. We are committed to educating the whole child to ensure they enter adulthood as happy, supported young people with a love for learning. We are looking for a committed and inspirational Teacher of Computing to join our highly successful team. Computing is a popular subject at Crispin and there is a history of strong exam performance. We would be delighted for you to visit Crispin or to have the opportunity to discuss the post prior to an application. If you wish to do either, please contact the Headteacher's PA by email at HeadsPA@crispinschool.co.uk.

Closing date for this post: 10:00 Tuesday 21 January 2025.

Supported by the Partnership Board, our staff work hard to deliver a rich and challenging curriculum to prepare young people for the next stages of their education and careers.

It is an exciting time to join the Wessex family as we grow, we can offer:

- Professional induction, training and continued professional development opportunities.
- Extended Leadership and other opportunities to develop your career.
- Excellent collaboration across Trust Schools, extensive learning communities and specialist subject leads, to enhance the learning of our young people and enhance your development.
- Staff benefits including reduced leisure centre membership and cycle to work scheme.
- A staff assistance programme with a specialist provider, CareFirst who provide a 24/7 free phone helpline, or face-to-face counselling for every employee in the Wessex family.

The Wessex Learning Trust is committed to safeguarding young people and promoting the welfare of children, and all staff appointed will undergo online checks and be required to undertake an enhanced Disclosure and Barring Service Check. This post is covered by Part 7 of the Immigration Act (2016) and therefore the ability to speak fluent spoken English is an essential requirement of the role.

FACULTY INFORMATION

The Creativity and Innovation Faculty is currently comprised of Art, Photography, Graphics, Computing, Design Technology, Food and Engineering. There is a Head of Computing, a Head of Technology and all curriculum areas are overseen by the Head of Faculty.

The Faculty is located within the impressive Innovation Hub which opened in November 2020. Each of the twelve specialist teaching rooms are purpose-built and provide an inspiring space to work in. Within the Faculty there are six full time and three part-time teachers along with three technicians.

At present we have two dedicated specialist Computing rooms with access to a further five rooms. The Innovation Hub has excellent Computing facilities and the rooms allow for desk-based learning spaces alongside computer stations to enable diverse teaching. All classes are taught in mixed ability groups and the subject has been an historically popular option. At Key Stage 3, Computing is delivered across two lessons a fortnight. We are proud that enthusiasm and academic success in this area has led to high numbers of students continuing their studies at college, with Crispin praised for the skills and confidence demonstrated by our former students.

The successful candidate will be passionate about the delivery of their subject, and the development of digitally literate students across the age range; linking closely to the world of work and offering opportunities to experience real-life learning. You will be expected to teach Computing across the age and ability range. The Computing curriculum in Years 7-9 currently covers topics such as Computational Thinking, Hardware and Software, Encryption, Spreadsheets and Python; which allows students to progress successfully. The subject has a healthy take up of students at Key Stage 4. Currently, Computer Science (AQA GCSE) and Digital IT (OCR Cambridge National) are both offered.

As a hardworking and dedicated team we look forward to further developing our robust and creative curriculum and introducing wider industry relevant opportunities for our students. Learning and Teaching are at the heart of what we do; we continuously strive to improve our provision. Blended Learning has been a key area of development at Crispin and the successful candidate will be central to the continued improvements in this area. You can expect to take part in the school's excellent CPD programme supporting this development.

This is an exciting time to be joining Crispin generally, and the Creativity and Innovation Faculty in particular. We look forward to your application.

WESSEX LEARNING TRUST

At The Wessex Learning Trust, our family of academies here in the South-West of England strive to offer a world class, Twenty First Century education for all young people between the ages of 2 and 19, by providing outstanding learning opportunities and creating centres of educational excellence that meet the needs of all children.

We are passionate about providing the very best education for all the children in our Academies. Our ambition is that every student is helped to achieve their full potential so that they can make a positive contribution to our society and realise their lifetime ambitions.

Each individual Academy in the Wessex Learning Trust is encouraged to maintain its own distinctive ethos, be at the centre of their community and raise aspirations and achievement. This is achieved in two ways: firstly, through excellent teaching to inspire curiosity, unlock talents and realise potential; and secondly, by ensuring high quality care, guidance and support that ensures the personal development and welfare of each child.

By working together, we believe we can harness the talents of all our staff, share good practice between all our academies, and share resources that enable us to concentrate on delivering excellence in education.

Our staff are the best around, and give their all to promoting a fulfilling and engaging curriculum. Across the Trust everyone plays to their strengths, and is supported so as they work their best - and thus help our students work their best too.

Our Benefits:

- Professional induction, training and continued professional development opportunities
- Staff benefits including reduced leisure centre membership and cycle to work scheme
- A staff assistance programme with specialist provider, CareFirst who provide a 24/7 free phone helpline, or face-to-face counselling for every employee in the Wessex family
- Exciting opportunities as part of a growing multi-academy Trust
- Eligible for Local Government Pension Scheme
- Collaborative working across the Trust

WELCOME TO STREET

Crispin is a secondary school on the eastern edge of Street, a large village in Somerset with a population of around 12,000. It is situated on the Somerset Levels close to Glastonbury, Wells and the Mendips. The village has an interesting history with evidence of Roman occupation. Street is home to Clarks, the world famous footwear retailer and its headquarters is still in the village. Much of the Street site now houses the popular and thriving designer outlet shopping complex of 'Clarks Village'.

Somerset generally is a warm and friendly county and Street is no exception. The village itself contains a good range of leisure facilities including a theatre which hosts live performances and a wide range of films, sports facilities and an open air swimming pool. The Glastonbury Festival also takes place very near to the village. There are also a good range of local shops. As one resident of Street said 'if you choose you can walk to pretty much everything you need'. There is easy access to the coast and there are a number of National Trust properties in the area as well as nature reserves and areas of outstanding natural beauty.

As well as being located in a beautiful part of Somerset, Street is well connected by road being close to the M5, A303 and on a number of bus routes. There are also nearby rail links to London, Bath, Bristol, Devon and Cornwall. Bristol Airport is also close with a wide range of destinations from Iceland to Egypt. There are a number of interesting towns and cities nearby including Glastonbury, Wells and Frome. A little further afield, one can easily reach the likes of Bath and Bristol which are both major European cities and home to a very wide cultural and sporting life including excellent music venues, theatres, cinemas, restaurants and professional sports clubs including football and rugby.

Housing is still relatively affordable in Street and many of the surrounding towns and villages. Many colleagues talk of how the area is a safe, yet vibrant area to bring up families with a range of good schools and a college which shares its site with Crispin. Yet at the same time there are a myriad of excellent leisure opportunities and major cities within an hour's travel.

JOB DESCRIPTION

Post Title:	Teacher of Computing
Purpose:	To teach Computing from Years 7 to 11
Reporting to:	Head of Computing
Liaising with:	Headteacher, Deputy Headteacher, Assistant Headteachers, Head of Faculty, Heads of Year, other members of the Computing Department, Teaching Assistants, relevant non-teaching support staff, parents
Working Time:	Full time
Salary/Grade:	MPS / UPS
Disclosure level:	Enhanced
Main (Core) Duties:	

Teaching:

- To meet the required and appropriate level of performance as detailed in the 'Professional Standards for Teachers'.
- Provide stimulating teaching and learning opportunities both in the classroom and in terms of eLearning.
- Provide a strong environment and culture for learning.
- Ensure own practice is of a high standard and continue to develop your professional skills and knowledge.
- Develop and deliver innovative schemes of learning and assessment in line with new specifications, curriculum requirements and related pedagogy.
- Promote and inspire learning through planning which takes into account the needs and progress of all students.
- Facilitate peer observation and professional dialogue.
- Actively seek student voice / feedback to raise standards.
- Involve Teaching Assistants (TAs) in planning to provide high quality individual support with targeted intervention.

Achievement and Standards:

- Continually assess student progress.
- Provide students with high quality feedback in order to drive attainment.
- Provide parents with high quality feedback about their child's progress.
- Use available data to plan, review and monitor progress of all students in order to promote rigorous improvement of attainment.
- Promote equality of performance and achievement of all students and student groups.
- Maintain an understanding of developments within teaching practice and methodology and initiatives at a local, national and global level.
- To be aware of general developments in Computing and to maintain a detailed knowledge of the Computing curriculum.

Personal Development and Wellbeing:

- Inspire and support students to develop leadership skills and qualities.
- Establish a positive ethos in the school by promoting and demonstrating high standards.

JOB DESCRIPTION CONTINUED

- Actively encourage and develop the well-being and success of students through tutoring. Act as the 'first port of call' for tutees and their parents.
- Take responsibility for own Professional Development.
- Promote, reinforce and model the school's commitment to safeguarding and promoting the welfare of children and young people and expect all staff to share this commitment.
- Adopt coaching and restorative approaches where relevant.

Other specific duties:

- To play a full part in the life of the school community in implementing its vision, mission and ethos and support staff and students to do likewise.
- To carry out other responsibilities as determined by the Headteacher, following consultation.

A review of the post and its responsibilities will be undertaken periodically and may result in modification to the tasks of the post-holder.

Employees will be expected to comply with any reasonable request from a manager to undertake work of a similar level that is not specified in this job description.

Employees are required to be courteous to colleagues and students and provide a welcoming environment to visitors and telephone callers.

The school will endeavour to make any necessary reasonable adjustments to the job and the working environment to enable access to employment opportunities for disabled job applicants or continued employment for any employee who develops a disabling condition.

This job description is current at the date shown, but, in consultation with the postholder, may be changed by the Headteacher to reflect or anticipate changes in the job commensurate with the grade and job title.
