11-19 Boys' Comprehensive School No. on roll – 1000

Required for September 2025

Teacher of Computing and Computer Science (with potential TLR)

We are seeking a qualified Teacher of Computer Science to join the School as it prepares to move to a brand new building. There is opportunity for an increased salary/TLR for a suitably qualified and experienced candidate who can contribute to the development of curriculum opportunities within this area.

The Mosslands School is situated in the heart of the Wallasey community. We are seeking to appoint an inspirational teacher, to work with us in our drive towards achieving the best outcomes for all pupils.

Our school has a history of excellence in Science, Technology, Engineering and Maths and these subjects are at the heart of our curriculum. We have been both TES STEM School of the year and STEM Team of the year in recent years. Technology subjects are very popular and highly successful in our school and there is a rich extra – curricular programme to support them.

To succeed in this role, you must be an exceptional classroom practitioner, with the ability to lead, motivate and inspire staff and students. We offer an excellent CPD programme for all staff. We are committed to developing high quality and effective teachers, continuous training and professional development is embedded within our school culture.

Further information and an application form are available to download on the school's website, www.mosslands.co.uk, or by contacting the school on 0151 638 8131.

Please apply by letter and application form and send the completed application to:

Mr. A Whiteley, Headteacher, The Mosslands School, Mosslands Drive, Wallasey, Wirral CH45 8PJ

or by email to Debbiegreen@mosslands.wirral.sch.uk (PA to Headteacher)

Closing date: Monday 16 June 2025 at 3.00pm.

Interviews will take place shortly after the closing date.

Any offer of employment will be subject to satisfactory enhanced DBS clearance and references.
