Dear Candidate

We are delighted you are interested in applying for a role at Uckfield College and thank you for taking the time to discover more about life at our school.

The staff here, both teaching and non-teaching, are excellent. They are utterly professional and deeply caring people who have a strong moral purpose to make a difference to young people. Students in lessons are ready and eager to work. It is no surprise that results are so good. Both personally and professionally, I am very proud of the work they do. While we are a 'students first' college and students are what we are here for, our greatest asset is our dedicated staff who strive and frequently go beyond the 'call of duty' to develop and maintain the very special environment that is Uckfield College.

I feel sure that you will identify Uckfield College as an energetic and successful place in which to work. If, after reading about us, you decide to apply for the post, then we look forward to receiving your application form. Applications will be processed in line with the dates provided and I will write to successful and unsuccessful candidates as soon as possible to inform them of their progress.

There is further information about the College, including Prospectus and an electronic version of the briefing booklet and application form available on our website: [www.uckfield.college](http://www.uckfield.college). If there are specific parts of the application you would like to clarify, or if there is particular information you require, then please telephone me at the College. I can be contacted via my PA, Toni Fletcher, on 01825 764844, extension 1002.

In conclusion, I make no excuses for sounding so very proud of the enthusiasm, hard work and support of staff, students, parents and governors. Uckfield College is very much a team and I believe, fundamentally, a very happy and successful one.

I look forward to meeting short-listed candidates at interview.

Yours sincerely

Hugh Hennebry

## About our College

In our most recent Ofsted report the Inspection team were full of praise for our great team of staff:

- "Teachers make better use of assessment information to plan work that meets the needs of all pupils."
- "Teachers make good use of technology available."
- "Teachers have worked collaboratively... to increase the level of challenge for pupils."
- "Teachers... ensure a consistent approach to feedback."
- "Pastoral leaders now have a more rigorous approach in place which ensures greater consistency across all year groups."
- "Pupils feel that their teachers listen to them in lessons and that they are well challenged."
- "Students said that the extra-curricular provision has expanded."

The Lead Inspector also wrote some wonderful comments about our students:

- "Pupils are typically very well behaved."
- "Pupils are friendly, polite and there is a harmonious atmosphere in the school."
- "Pupils say that homework tasks extend their current learning and provide additional challenge."
- "Pupils appreciate the guidance their teachers give them and they say that they know very specifically how to improve their skills and knowledge."

What runs through the letter are Ofsted's findings that our College is a Good school and is improving. What is also clear is that the positive relationships between teachers, parents and students, with students at the heart of everything we do, is such an important part of these improvements.
